The County contribution is distributed by the employee among the menu of benefit options listed below, the specific details and administration of which are set forth in the plan brochures:

(2) Optional Benefits:

- Dental insurance

- Medical insurance. Unless properly waived.
- County basic life and AD&D insurance, pursuant to Article 5.3

(2) Coverage by County Spouse. An eligible County employee married to another eligible County employee may elect health insurance as a dependent under the spouse’s primary plan. In such a case, the employee covered as a dependent will have the “employee only” County contribution amount available to apply toward the employee’s Flexible Benefits Plan during the employee’s active employment.

(3) Waive Coverage. Employees may elect not to be covered by the County’s health insurance plans. This election may only be made during the County’s open enrollment period or during the year as the result of a qualifying “change in status” as defined by Section 125 of the Internal Revenue Code. Any premium paid by the County on behalf of the Registered Domestic Partner or Registered Domestic Partner’s dependent(s) will be considered taxable income for Federal taxes pursuant to the provisions of the

Internal Revenue Code but will not be considered taxable income for State taxes, pursuant to the California Revenue and Taxation Code. To cover a Non-registered domestic partner or the non-registered domestic partner's dependent(s), the employee must meet and agree to the specifications set forth on an "Affidavit for Enrollment of Domestic Partners". The employee must submit the affidavit to the Employee Benefits Division of the Department of Human Resources. Any premium paid by the County on behalf of the domestic partner or the domestic partner's dependent(s) shall be considered taxable income for Federal and State taxes to the employee with domestic partner coverage pursuant to the provisions of the Internal Revenue Code and the California Revenue and Taxation Code.

(5) Effective Dates of Eligibility Under the Flexible Benefits Plan.

(a) Health Benefits (Medical, Dental and Vision). The effective date of eligibility under the Flexible Benefits Plan for new employees shall be the first day following the month of hire provided that the employee has completed and returned all enrollment forms within the month of hire. If completed forms are not received by the end of month of hire, benefits will be effective the first day of the month following receipt of completed forms. All forms must be received in the Employee Benefits Division within thirty (30) days of hire in order for benefits to commence. Eligibility shall terminate on the last day of the month in which an employee last had paid service provided that the employee's portion of the health insurance premium is paid for such period.

(b) Additional Benefits. Notwithstanding subsection 5.1.6(c)(5)(a) above, eligibility for all flexible benefits plan features which are in addition to health insurance shall be thirty (30) days after the effective date on which health insurance coverage begins.

(6) Employee Responsibility.

(a) Employee Application/Designation of Benefits. It is the responsibility of each employee to designate and/or apply for benefits. No retroactive benefits will be provided without proof of a timely, correctly filed application, and administrative error on the part of the County or contract provider.

(b) New Hires – Failure to Enroll. Employees who do not submit

completed enrollment forms within forty-five (45) days of hire will be automatically enrolled in the County's least costly health plan.

(7) Insurance Coverage During Leaves of Absence.

- (a) Life Insurance. Employees on leave without pay for any reason; (including suspension) may continue their life insurance coverage for up to six (6) full months. Employees choosing to continue their life insurances may do so for up to six (6) months while on leave. Premiums must be paid by the end of the month in which the employee had coverage.
- (b) Employees may pay all premiums required for the entire six (6) month leave period in advance. In the event an employee who is on leave without pay does not pay premiums in advance of the end of the month, the coverage shall be discontinued. Employees shall be entitled to re-apply upon return to work subject to medical insurability acceptable to the insurance provider.

(8) Health Insurance During Leaves of Absence or Reduction in Hours.

- (a) For permanent employees who (1) have averaged at least 30 paid hours per week over the previous twelve month period and who then experience a reduction of hours to less than forty (40) hours in an 80-hour biweekly pay period or (2) are granted an unpaid leave of absence outside of FML and PDL but within a Stability Period as defined by the Patient Protection and Affordable Care Act, an offer of enrollment in a medical plan will be made:

 - a. The term "Dependent" shall be as defined in Compensation Ordinance §5.13.1(b).
 - b. The cost to the employee of this option shall be calculated according to Compensation Ordinance §5.13.1(e).

 - a. If the Employee elects to keep their own coverage, the employee will pay 100% of the applicable premium.
 - b. If Employee elects to keep their current coverage, they may elect employee only coverage or they may choose coverage for themselves and their dependents.
 3. Electing either alternative under this Section shall not entitle the Employee to any County contribution towards the Flexible Benefits Plan granted under Compensation Ordinance §5.1.6. This Subsection does not alter the Eligibility Requirements in Compensation Ordinance §5.1.6(b).
 4. Enrollment in either medical plan, if elected, will continue during the Stability Period at the employee's expense.
- (b) During leave without pay, and in accordance with the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) Of 1986 (Pub L. 99-22), Employees may continue their health insurance coverage for up to eighteen (18) full months following the month in which the leave commenced.
 - (c) The commencement of leave without pay shall be considered a "qualifying event" as defined under COBRA by virtue of the employee's reduction in working hours. Employees who elect coverage under COBRA by choosing to continue their medical insurance shall pay one hundred two percent (102%) of the applicable premium and shall be subject to the same administrative requirements as all other COBRA group plan members. Premiums will be calculated and paid by the employee at least one (1) month in advance.
 - (d) The effective date of coverage will be the first day of the month following receipt of enrollment forms in the Employee Benefits Office. With certain health plans, reenrollment is contingent upon medical insurability.
 - (e) In the event an employee who is on leave without pay does not pay medical insurance premiums in advance, the coverage shall be discontinued. Such employees shall be

automatically re-enrolled in the same health plan enjoyed previous to leave without pay, within thirty (30) days from the date they return to work.

(Amended 05/02/17, Ord. No. 10483)
(Amended 06/28/22, Ord. No. 10798)

- (11) Employees in classes designated AE, AM, AS, CC, CE, CEM, CL, CM, CR, CS, DA, DI, DM, EM, EO, FS, HS, MA, MM, NA, NE, NM, NS, PD, PM, PO, PR, PS, RN, SO, SS, SW and UM who have flex credits not designated for eligible services shall have such credits placed in the employee's Healthcare Reimbursement Account (HRA) and/or a health Flexible Spending Account (FSA). IRS regulations establish annual maximum limits for flexible credits which may be rolled over to an HRA and/or an FSA. An employee is not entitled to flexible credits that, when rolled over to an HRA and/or an FSA, exceed the maximum limits allowed by law. Any employee who is expected to have flexible credits rolled over to an HRA and/or FSA that will exceed the maximum limits shall have their bi-weekly flex credit contributions adjusted to an amount, that when calculated on an annual basis, will be equal to the maximum allowed by law.

(Amended 01/09/15, Ord. No. 10368)

- (12) Notwithstanding the above paragraph, if an employee experiences a "qualifying event" as defined by IRS and HIPAA Regulation, or has a triggering event that impacts flex credits, that employee will be allowed to change their status and have their flex benefits recalculated so as to maximize or recoup any retroactive flex benefits previously adjusted, in order to realize the maximum value of the flex benefit contribution, subject to IRS limitations.
