- You are not under the regular care of a doctor when you request disability benefits

Your benefits may be reduced if you are eligible to receive benefits from:

- A state disability plan or similar compulsory benefit act or law
- A retirement plan
- Social Security
- Any form of employment
- Workers' Compensation

A complete list of benefit exclusions and reductions is included in the policy. State restrictions may apply to this plan.

This is not intended as a complete description of the insurance coverage offered. Controlling provisions are provided in the policy, and this summary does not modify those provisions or the insurance in any way. This is not a binding contract. A certificate of coverage will be made available to you that describes the benefits in greater detail. Refer to your certificate for your maximum benefit amounts. Should there be a difference between this summary and the contract, the contract will govern.

Voluntary Short-term Disability Premium

Here's how little you pay with group rates.

Your estimated monthly premium is determined by multiplying your weekly salary amount (up to \$2,500) by your benefit percentage, divide by \$10.00, and multiple by your age-banded premium rate. If your weekly salary exceeds \$2,500, then use \$2,500 as your static weekly salary.

Example: Age 39. Weekly Salary \$800.00 x 60% = \$480.00/\$10.00 = \$48.00 x .79 = \$37.92
