TRAILS PROGRAM MANAGER
COUNTY OF SAN DIEGO
Class Title: Program Coordinator-Parks Resource Management Option
DEPARTMENT OF PARKS AND RECREATION (DPR)

THE POSITION

The County of San Diego is seeking a dynamic leader to fill an immediate vacancy for a Trails Program Manager. DPR is seeking an individual who shares our commitment to excellence, hard work, and continuous improvement. The future incumbent will be responsible for managing the County’s comprehensive trails program, which includes implementing the Community Trails Master Plan (Plan). The Plan consists of a system of interconnected regional and community trails and pathways. The future incumbent will also perform long-range trail planning; perform trail siting and design; review, write, and verify compliance with trail standards; and seek funding and grant opportunities. Additional responsibilities include evaluating Right-of-Entry permits on County Land, implementing special projects, and providing oversight over other environmental support programs. Essential to the position is collaboration and coordination with other DPR divisions, other County departments, community groups, stakeholders, local jurisdictions, and resource agencies. The future incumbent may supervise Land Use Environmental Planners, contract staff, student workers, as well as multiple contract task orders.

THE IDEAL CANDIDATE

The ideal candidate will possess knowledge of land use planning and/or trail siting and design, environmental review, regulatory requirements, and/or resource management. The ideal candidate will possess high ethical and professional standards, effective organizational skills, sound analytical and decision making skills, excellent communication and customer service skills; proven experience in building and maintaining strong partnerships; and the ability to display comfort with making presentations in small and large group settings. The successful candidate is a professional who networks well across disciplines and influences decision-makers by consistently providing quality work, improved service, reduced costs, and increased productivity.

The ideal candidate will also possess a professional history that demonstrates the following necessary leadership attributes:

- Strong, innovative and visionary leadership and management skills
- Strategic thinker who anticipates future consequences and trends accurately while applying knowledge appropriately
- Demonstrates organizational and political awareness of sensitive issues that could involve an understanding of multiple stakeholder needs
- Possess a customer service-oriented philosophy that transcends all levels of an organization
- Demonstrates highly ethical and professional standards, effective organizational skills, sound analytical and decision-making skills, excellent communication skills, and exceptional service skills
- Demonstrates approachability in an easy manner
- Stimulates and actively initiates change in an organization
- Serve as a professional who shows initiative and networks well across disciplines and influences key decision-makers by consistently providing quality work, improved service, reduced costs, and increased productivity.
- Follow through on commitments
- Strong teamwork and collaboration skills
- Able to convey information and ideas in an open and articulate manner

MINIMUM QUALIFICATIONS

A bachelor’s degree from an accredited U.S. college or university, or certified foreign studies equivalency, AND, four (4) years of professional experience performing analysis, budget management, program administration, engineering, or closely related work in a program performing planning and analysis; OR a combination of education and/or experience as stated above.

COMPENSATION

The annual salary range for this job class is $80,142.40-$109,740.80
Placement within this range is dependent upon the qualifications of the successful candidate.
