A.

1. Wages

Fiscal Year 2025-2026:	3% wage increase effective June 27, 2025
Fiscal Year 2026-2027:	3.5% wage increase effective June 26, 2026
Fiscal Year 2027-2028:	3% wage increase effective June 25, 2027

Equity pay adjustments for Classifications

ARTICLE 4. WAGES AND OTHER RELATED ISSUES (Cont'd)

Market pay adjustment for Classifications (attached study). Koff & Associates completed a market study in 2024 ("Koff study), which recommended salary increases for numerous SEIU 221 represented classifications for comparator employers. Based on the Cost-of-Living recommendations or year four (4) of the 2022 Koff Study (which ever is greater), the County shall make adjustments for such classifications in equal payments for each year of the life of this Memorandum of Agreement amounting to 1/3rd of the salary increase necessary to bring the classification to the median while preserving internal alignment.

Effective June 27, 2025, if the Cost-of living recommendation/year four (4) of the 2023 Koff study plus the 3% wage increase does not total a 4% increase in fiscal year 2025-2026, impacted classification(s) salary will increase to equal no greater than 4%. This paragraph is only applicable to fiscal year 2025-2026.

2. Lump Sum

A one-time lump sum payment of one thousand dollars (\$1,000) in year one, five hundred dollars (\$500) in year two, and two hundred and fifty dollars (\$250) in year three will be paid to eligible employees contingent upon both:

- A signed tentative agreement (TA) by June 4, 2025; AND
- A change to the County's Reserve Policy which provides additional one-time funds.

Two pay periods after the effective date of the Board of Supervisors changed reserves: One-time monetary payment of one thousand dollars (\$1,000) for all regular employees who have paid service during Fiscal Year 2024-2025. Payment to be made two pay periods after the effective date of the Board of Supervisors changed reserves. Part-time employees shall receive a pro-rated amount according to their standard hours.

- The one-time lump sum payment will be included in the employee's regular paycheck. For the one-time payment, an employee is not eligible to receive the one-time lump sum payment if they terminate before the first day of the payroll period in which this payment will be made. An employee shall not be entitled to the one-time lump sum monetary above if they received a one-time payment under the terms of a different bargaining unit for the same fiscal year. If an eligible employee is on paid or unpaid leave, the payment will be made when the employee returns to active County service.

E. Variable Entry

The County has the right to:

1. determine which class(es), if any, shall be designated “variable entry”;
2. implement such determinations as the County deems advisable.

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES

Section 1. Hours of Work

This Section is intended to define the normal hours of work and shall not be construed as a guarantee of hours of work per day, per week, or of days or of work period.

A. Workday

The standard workday shall be eight (8) consecutive hours of work exclusive of a lunch period in a consecutive 24-hour day.

B. Work Period

The standard work periods shall be as follows:

1. For FLSA-covered classes, the standard work period is seven (7) consecutive days within which is included two (2) consecutive days of rest in a seven (7) consecutive day period. This work period shall be forty (40) hours, except as provided herein.
2. For FLSA-exempt classes, excluding “grandfathered” incumbents (as of 1/15/87), the standard work period is fourteen (14) consecutive days within which is included four (4) days of rest (two (2) instances of two (2) consecutive days of rest, each) in a fourteen (14) consecutive day period. This work period shall be eighty (80) hours.

These standard work periods shall apply to both full-time and permanent part-time employees.

C. Twenty-Four Hour Operations

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BOUNES (Cont'd)

Employees who report to work on shifts which begin in one calendar date and end in the next shall be compensated for the entire shift for the date the shift begins.

Shifts shall not be scheduled to include split shifts, except in temporary emergency situations.

A minimum of eight (8) hours of rest will be provided between the end of one shift and the beginning of a new shift.

D. Changes

The hours of work of the office or facility shall be established by the appointing authority and may be changed to meet operational or other requirements upon fourteen (14) calendar days-notice to the affected employees.

Where work schedules are regularly and routinely used, such schedules shall be posted in plain view at least fourteen (14) calendar days prior to the effective date of any routine and general work schedule change.

E. Shift Preference

An employee who wishes to change to a different shift within their facility and department may submit such a request in writing to the department's personnel section or to their supervisor. "Shift" is defined as one segment of a 24-hour facility workday. Such requests will be considered by management prior to filling a vacancy in the employee's class on the desired shift. In the event two (2) or more employees are equally qualified to transfer to a vacant shift, and desire to do so, the employee with the most seniority in the department shall prevail. Seniority in this instance is defined as longest continuous service in the class in the department.

In the event two (2) or more employees having the same length of service in the class in the department desire the vacant shift, the tie shall be broken by overall County seniority.

However, it is understood that these provisions in no way prevent management from making administrative changes in personnel or shift assignments, to meet operational requirements, on the basis of employee qualifications and without regard to seniority. Administrative changes implemented by the department are within the sole discretion of the department.

F. Rest Periods

Employee work schedules shall provide for a rest period not to exceed fifteen (15) minutes during each half-workday. The rest period is to be taken at approximately

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BOUNES (Cont'd)

the midpoint of each half-workday, if work and coverage reasonably permit. If work or coverage do not reasonably so permit, then the rest period is to be taken as time is available, but not so as to shorten the workday or lengthen the lunch break. Rest areas shall be open to employees for use as such during regular work hours except when conferences have been scheduled for their use.

Any subject which is allowable for discussion before, during, or after work, is allowable during the rest period in the rest areas.

G. Job-Sharing/Part-Time Requests

Employees may request to participate in job-sharing or become permanent part-time employees. Such requests are to be presented to the employee's immediate supervisor and the appointing authority. The Department of Human Resources' voluntary transfer list may also be utilized by employees, especially those interested in job-sharing or permanent part-time positions in other departments.

Section 2. Overtime Work and Compensation

- A. This Section is intended only to provide the basis for the calculation of and payment for overtime and shall not be construed as a guarantee of hours of work per day or per pay period.
- B. Full-time and permanent part-time employees' overtime is authorized or ordered work, actually worked by an employee, which is in excess of the full regularly scheduled work period as defined in Article 5, Sections 1.B.1 and 1.B.2 of this Agreement. No full-time or permanent part-time employee will be paid overtime unless they actually work more than the total number of hours in the full (40, 80 or more) work period as defined hereinabove.
- C. Employees will be given as much notice as possible when working non-emergent overtime. The County shall seek volunteers when feasible to work non-emergent overtime before assigning mandatory overtime.

Irregular Schedules

For employees in exempt classes, (overtime designator "E"), when a mutually-agreeable irregular work schedule is adopted as the employee's routine work schedule, and such schedule results in the employee working more, or less, than forty (40) hours in a week, but which schedule totals eighty (80) hours in a biweekly pay period, the hours worked in the weeks which exceed forty (40) hours shall not be considered overtime in accordance with the definition of work periods hereinabove.

Computation of Overtime

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BOUNES (Cont'd)

Computation of overtime shall be based on the employee's regular rate of pay. This regular rate shall include the base rate for the employee's classification plus all differentials or bonus rates to which the employee would be entitled for the overtime work performed.

Exclusion of Leave from Hours Actually Worked

Notwithstanding any other policy, practice, rule, regulation or Memorandum of Agreement provision (except Section 3, "Call-Back Work") to the contrary, any absence including, but not limited to, paid sick leave, disability leave, bereavement leave, vacation, holiday, jury duty, reporting for a draft board, compensatory time off for the investigation, preparation or presentation of a grievance, or other release time granted for an employee to engage in lawful employee organization activity, or unpaid work furlough or any other paid or unpaid time off which may be infrequent, sporadic or unpredictable, shall not be counted as hours actually worked during a work period when establishing eligibility for any type of overtime compensation.

Compensation for Overtime

Compensation is defined as either cash payment or compensatory time off, or a combination of cash payment and compensatory time off, in accordance with the overtime code for the employee's class. Employees shall have their overtime hours computed as follows:

- | | |
|-----------------------------------|--|
| <u>Code "N"</u>
(FLSA Covered) | – Employees covered by FLSA are eligible for overtime at time and one-half cash or compensatory time off. |
| <u>All employees</u> | – All employees are eligible for a minimum of three (3) hours call-back overtime at time and one-half cash or compensatory time off (4.5 hours). |
| <u>Code "E"</u>
(FLSA Exempt) | – Employees exempt from FLSA are eligible for straight cash or compensatory time off. |

Appendix B of this Agreement sets forth the overtime codes for each class.

The decision to pay for overtime worked in cash or compensatory time off shall be at the reasonable, justifiable, discretion of the appointing authority. Employees may request in advance their preference for cash or compensatory time off. The Appointing Authority shall grant the request if it meets the operations and/or funding needs of the Department. The decision of the Appointing Authority or Designee is final. An employee shall not be denied overtime opportunities due to requested preferences made pursuant to this section.

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BOUNES (Cont'd)

The County and the Union shall cooperate to maximize the ability of employee request to be honored. The parties may meet quarterly to review the status of overtime/comp or upon request of the Union.

D. Accrual of FLSA and Non-FLSA Compensatory Time Off

When an employee is allowed to accumulate FLSA and non-FLSA compensatory time off, such accruals shall be limited to a maximum of one hundred twenty (120) hours of FLSA compensatory time and forty (40) hours of non-FLSA compensatory time at the beginning of a biweekly pay period. Balances which exceed forty (40) hours for non-FLSA compensatory time will automatically be reduced to forty (40) hours.

Employees who have accumulated FLSA compensatory time off that reach one hundred twenty (120) hours, shall be paid cash for overtime hours actually worked over the maximum FLSA compensatory time balance of one hundred twenty (120) hours.

Employees will be given the opportunity to take off accumulated compensatory time before exceeding forty (40) hours or having their accumulation reduced. When granting compensatory time off, the appointing authority will give consideration to the desires of the employee.

An employee shall have fifteen (15) working days advance notice before being required to take FLSA or non-FLSA compensatory time off. This 15-day notice shall not apply to departments headed by elected appointing authorities unless approved by said elected appointing authorities.

An employee, who has reached eighty percent (80%) of the maximum accrual limit of compensatory time off, may request the appointing authority to pay off a specified amount of FLSA ("N" coded) compensatory time which was earned and credited while actually working in an overtime status. When pay off is approved by the appointing authority, it shall be paid on an hour for hour basis at the employee's current rate.

Employees who are laid off shall receive compensation for unused compensatory time (See: Article 10, Section 8.I "Cash in Lieu of Compensatory Time Off") earned after April 15, 1986, in an FLSA-covered status. Such compensation shall not exceed one hundred twenty (120) FLSA hours or forty (40) non-FLSA hours.

If an employee transfers for any reason other than discipline or demotes in lieu of layoff to a classification whose maximum allowable accumulation of compensatory time off is less than that of this Section (one hundred twenty (120) FLSA hours and forty (40) non-FLSA hours), such employee shall be given a one-year period after

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BOUNES (Cont'd)

such transfer or demotion to reduce accumulated compensatory time off to the lower accumulation.

All unused compensatory time will be paid off in the event of death of the employee.

Notwithstanding the above language, maximum non-FLSA hours for the following classes will be sixty-four (64) hours:

- 006332 – Park Ranger (PS)
- 006342 – Senior Park Ranger (MM)
- 006343 – Supervising Park Ranger (MM)

E. Compensation for Overtime and Holidays Worked by Supervising Registered Nurses in the Middle Management (MM) Unit Only

Overtime and compensation for holidays worked for employees in classes in the Supervising Nurse Classes, 004544 – Supervising Nurse (MM) and 004570 – Public Health Nurse Supervisor (MM), shall be computed on the basis of time and one-half cash or CTO for time actually worked in the standard work period. Upon request of the employee and with approval of the appointing authority, employees may receive compensatory time off for overtime instead of cash compensation up to a limit of forty (40) hours of compensatory time.

F. Residential Care Facilities

Employees employed in a County hospital or facility primarily engaged in the care of persons who are sick, the aged, or the mentally ill (or defective), which persons reside on the premises may be compensated at a rate not less than one and one-half times the regular rate for any work actually performed in excess of eight (8) hours in any workday and in excess of eighty (80) hours in a fourteen (14) consecutive day work period.

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BOUNES (Cont'd)

A. Definition

Call-back work is work required of an employee who, following completion of the employee's workday and departure from the employee's work site, is ordered to report back to duty to perform necessary work.

Qualifications. To qualify for this call-back provision, an employee must leave the place from which the employee is called and actually report to a work site. Neither changes in a shift or work schedule when at least fifteen (15) hours advance notice is given, nor service performed on a regular standby shift, or from a voluntary listing on an available list (Section 5) shall constitute call-back work.

Compensation. An employee who is called back, as defined above, shall receive a minimum of three (3) hours time at either time-and-one-half pay or comp time at time and one-half for a minimum of three (3) hours.

The decision to pay for overtime worked in cash or compensating time off shall be the sole discretion of the appointing authority and is non-appealable by the employee.

Exclusion of Paid Leave. Paid leave shall not affect compensation for hours actually worked in excess of three (3) hours and not a part of a regular work shift for covered or exempt employees called back during a work period (pursuant to Section 2.B above). Actual work performed in excess of three (3) hours and not part of a regular work shift shall be compensated as overtime in the same manner such employees (covered or exempt) receive scheduled overtime compensation.

Upon mutual agreement between the employee and the appointing authority, call-back overtime hours actually worked may be used to delay the start of the next workday.

B. Overtime at Place of Contact

An employee contacted by the department during their off-duty hours and required to perform services without leaving the place of contact, shall receive compensation for such time worked in the same manner such employees receive scheduled overtime compensation. To be eligible for such compensation, employees must be authorized and ordered by the department to perform such services.

C. Court Call-Back

Call-back shall also include an order to appear before a court where the employee is representing the County and not on their regular shift.

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BOUNES (Cont'd)

- D. Employees called back to duty shall, except for emergency situations, be given eight (8) hours rest in the 24-hour period which began at the start of their last normal shift. When an employee's next normal shift must be rescheduled to provide this eight (8) hours rest, non-routine shift change premium shall not be applicable.
- E. Medical Examiner Investigators (Classes 005740 – Medical Examiner Investigator II (PS) and 005741 – Medical Examiner Investigator I (PS) contacted by the department during standby shifts and required to perform services without leaving their place of contact shall receive credit for a minimum of one hour at time-and-one-half pay. Only one call-back, as defined herein, is applicable for each standby shift.
- F. Additional Assignment While on Call-Back

An employee who is contacted while serving a call-back (as defined above) and is called to another site for additional duties, shall not be compensated for a second or subsequent call-back for this assignment. However, if the employee has left the work site, or sites, and is actually returning, or has returned, to their original point of contact, and is then called back again, the employee shall be compensated for an additional call-back.

Section 4. Standby Duty Compensation

- A. Standby Duty Defined

Standby duty means that an employee is assigned to specific hours outside the normal workweek assignment, during which the employee must remain where such employee can be contacted by telephone, ready for immediate return to work to perform an essential service.

- B. Critical Standby Duty Defined

A standby shift is "critical" where the employee must report immediately upon being called to perform a service which cannot be delayed until the next normal working day, which service is so critical as to frequently mean the difference between life and death.

- C. Standby Positions Designated

The Chief Administrative Officer must approve the designation of all Standby positions and Critical Standby positions.

- D. Standby duty shall not count as time worked, except to the extent that an employee is required to, and does actually return to a workplace and perform actual service.

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BOUNES (Cont'd)

Employees assigned to standby shall not be entitled to call-back work compensation, unless otherwise provided under the call-back provisions.

E. Standby Compensation

Employees shall be paid the equivalent of one hour's compensation for each normal standby shift, provided such shift is not longer than the employee's normal workday. A normal workday is defined as at least eight (8) hours. Employees shall be paid the equivalent of two (2) hours compensation for each "critical" standby shift. Standby compensation shall be made for only those employees occupying positions designated as Standby in accordance with Section 4.C, 4.G, and 4.I hereof.

F. Medical Examiner Investigators

Medical Examiner Investigators on a regular shift or on a standby shift will be required to maintain on their persons, a cell phone provided and maintained by the County. A Medical Examiner Investigator while on standby duty shall not be required to remain at home and may engage in personal activities away from their home. If such activities take place in areas in the County of San Diego which are beyond the range of the cell phone, the Medical Examiner Investigator shall leave word with the Medical Examiner's Office as to where they may be reached. A Medical Examiner Investigator on standby duty shall urgently and diligently respond to a call for their services. Failure to urgently and diligently respond shall constitute grounds for disciplinary action by the appointing authority, provided such disciplinary action shall be subject to review under the Grievance Procedure. A Medical Examiner Investigator may not be assigned standby duty of more than two (2) shifts per week.

An employee in Classes 005740 – Medical Examiner Investigator II (PS) or 005741 – Medical Examiner Investigator I (PS) who is contacted by the department during a standby shift and required to perform services without leaving their place of contact shall receive credit for a minimum of one (1) hour at time-and-one-half pay. This payment shall be applicable only to the first such occurrence during each standby shift.

G. Standby duty served by Classes 005740 – Medical Examiner Investigator II (PS) and 005741 – Medical Examiner Investigator I (PS) shall be designated as "critical" and, therefore, shall be compensated at the equivalent of two (2) hours compensation for each normal "critical" standby shift.

Section 4. Sick Leave

Sick leave is paid leave earned and granted to an eligible employee for absences from work caused by personal illness or injury, wellness reasons, for emergency or routine medical or dental appointments, that includes mental health and for reasonable travel time to and from health care facilities. An employee who is incapacitated for work because of pregnancy may be granted sick leave upon presentation of satisfactory evidence from a physician verifying the incapacity.

An employee may also be granted up to a maximum of eighty (80) hours of paid sick leave in a twelve (12) month period for the purpose of caring for a member of their immediate family (as defined in paragraph C. below) who is ill or injured. In addition, if the employee requests paid sick leave in excess of eighty (80) hours in order to care or arrange care for a member of their immediate family who is critically or terminally ill, additional sick leave is available to the employee when granted by the appointing authority upon receipt of satisfactory verification from a physician.

A. Eligibility

Employees eligible to earn sick leave are those employees who are paid at a biweekly rate, and who have regularly scheduled paid service of not less than one-half of the standard eighty (80) hour pay period.

B. Earnings

Eligible employees shall earn sick leave credit at the rate of five percent (5%) of the employee's regularly scheduled hours per pay period. The hour/day approximate equivalent sick leave accrual for full-time employees over one-year (26 pay periods) is one hundred four (104) hours, or thirteen (13) days. Sick leave is credited in units of one-tenth (1/10) of one hour, up to a maximum of four (4) hours, at the beginning of the pay period following the one in which it was earned.

ARTICLE 6. PAID LEAVES (Cont'd)

Paid holidays immediately preceding, immediately following, or wholly within the period for which sick leave is granted shall not be regarded as part of such period of sick leave.

C. Definition of Immediate Family

Immediate family includes husband, wife, domestic partner, child, stepchild, grandchild, brother, stepbrother, sister, stepsister, parent, guardian, stepparent, foster parent or grandparent or any person serving as a parent, or who has served as a parent, or any other person living in the same household as the employee.

D. Use of Sick Leave

Sick leave is available the first day of the pay period following the pay period in which it was earned and is taken in units of one-tenth (1/10) of one hour. Use of sick leave is subject to the approval of the appointing authority. Upon request of an employee, the appointing authority may allow the substitution of three (3) or more days of sick leave for paid vacation, if the employee was ill or injured.

E. Request for Sick Leave

Each request for sick leave shall set forth the reasons for the request and such further information as may be required. Sick leave usage includes employee's personal wellness. For employees who have used fifty-two (52) or more hours of sick leave in a calendar year, each subsequent request for more than five (5) consecutive workdays shall be accompanied by a doctor's verification or other evidence satisfactory to the appointing authority which demonstrates the employee's incapacity to return to work or necessity to be absent. A request because of the death of a member of the employee's immediate family will not require such verification.

Upon request of the appointing authority, an employee shall be required to provide the above-described verification of the proper use of sick leave at any time prior to the expiration of five (5) consecutive workdays, if the appointing authority has good cause to require such earlier verification and has so informed the employee.

F. Compensation for Unused Sick Leave

1. Employees who enter County service after July 1, 1979, shall not be eligible for compensation for any of their unused sick leave credits.
2. An employee with ten (10) or more years of continuous service during that employee's present employment who retires, voluntarily terminates, dies, discontinues earning sick leave credits by reason of that employee changing from being paid at a biweekly rate, is elected to County Office, or

ARTICLE 6. PAID LEAVES (Cont'd)

is laid off, shall be paid twenty-five percent (25%) of that employee's accumulated sick leave credits. An employee who received such compensation shall have no right to restoration of any sick leave credit upon return to County service.

3. Employees who earned County service prior to July 1, 1979, and in accordance with the above provisions, shall be compensated for their unused sick leave credits as determined by the following payout ranges:

\$ 11,001	to	\$ 12,000
10,001	to	11,000
9,001	to	10,000
8,001	to	9,000
7,001	to	8,000
6,001	to	7,000
-0-	to	6,000

Cash payout for unused sick leave credits shall not exceed the upper limit of the range at which the employee's unused credits lie as of June 28, 1979.

4. Sick Leave

All employees shall participate in the County's Terminal Pay Plan (Plan). However, only the terminal paychecks (including sick leave, if applicable) of those employees who have reached the age of fifty-five (55) shall be placed into the Plan. These terminal paychecks shall be placed into the Plan on a pre-tax basis in accordance with the Plan, all applicable laws and all rules and regulations applicable to the Plan.

- G. Conversion of Sick Leave Credits to Retirement Service Credit

Upon retirement, deferred retirement, disability retirement from County service, or death, an eligible employee's sick leave balance may be converted into retirement service credits subject to the rules and regulations of the San Diego County Retirement Association, provided that:

- a. The employee has completed ten (10) or more years of continuous service during that employee's present employment; and
- b. The employee's sick leave balance totals three hundred (300) hours or more; and therefore,

ARTICLE 6. PAID LEAVES (Cont'd)

Notwithstanding the provisions of Section 4.G of this Article, employees eligible under Section 4.F may elect to:

- a. Receive their full cash payment under Section 4.F and then convert their remaining eligible hours under Section 4.G.
- b. Waive receiving full cash payment under Section 4.F and convert their eligible hours under Section 4.G.

I. Calculation of Compensation for Unused Sick Leave

When an employee is paid the monetary value of sick leave as provided above, such compensation shall be calculated on the employee's basic rate of pay at that time plus those applicable premiums or bonuses which are being paid as part of the employee's hourly rate at the time of separation exclusive of any biweekly fixed dollar amount premiums and any other premiums specifically identified as excluded from terminal payout. Such calculation shall not include any increase in pay which would have occurred had the sick leave been granted, nor shall it include payment for any holidays.

J. Cancellation and Restoration of Sick Leave Credits

1. An employee's sick leave credits shall be canceled, subject to Section 4.J.2 below, upon separation from County Classified Service, or upon changing from a biweekly rate of pay.
2. Employee sick leave credits accrued at time of separation, and which have not been subject to payout, shall be restored under the following conditions:
 - a. An employee returns to duty within three (3) years after separation because of layoff or disability retirement; or
 - b. An employee returns to duty within twelve (12) months following separation from temporary or seasonal employment; or
 - c. To the extent that recovery is made by the County either through Workers' Compensation Act benefits or claim against a responsible third-party, of compensation, including any salary, vacation, sick leave and retirement credits paid an employee during absence on sick leave. Restored credits shall be computed on the basis of the employee's wage rate granted as sick leave during the time of absence. Credits shall be restored in full hour units with fractions of an hour disregarded.

Section 5. Injury Leave

ARTICLE 6. PAID LEAVES (Cont'd)

Injury leave is paid leave granted to a biweekly employee while disabled and unable to perform his or her job duties because of a job-related injury, entitled to Workers' Compensation temporary total disability benefits, and is not ineligible under one or more conditions listed in Section 5.A herein. Injury leave compensation shall equal the difference between seventy-five percent (75%) of employee's wage rate and employee's Workers' Compensation temporary total disability indemnity. The appointing authority shall provide release time to allow an employee to attend follow-up medical appointments for accepted work-related injuries.

A. Ineligibility

An employee shall not be entitled to injury leave under the following conditions:

1. Failure to use or wear prescribed safety or personal protective equipment;
2. Failure to follow safety rules and regulations;
3. Where the employee's gross negligence or willful misconduct is a proximate cause of the injury;
4. Any time the appointing authority, upon investigation, certifies that suitable light-duty employment is available, and employee refused to accept it.
5. Injury leave shall not be granted for aggravation, recurrence or sequelae of a pre-existing non-service-connected physical disability or any physical condition existing prior to employment by the County, nor for recurrences, aggravation or sequelae of disabilities for which employee has received a permanent disability award or a compromise and release settlement under Workers' Compensation. To the extent employee is otherwise eligible, sick leave may be granted.

It shall set forth the reasons for the request and any further information as may be required by the Director.

D. Investigation

2. The Director shall review the findings of the appointing authority and make any further investigation as is appropriate.
3. The Director may grant the request in whole or in part and determine the duration of the injury leave or may deny the request. The Director shall notify the employee and the appointing authority of the decision in writing.

The request for arbitration shall specify the basis for the appeal.

The arbitrator shall be determined by the parties alternately striking names from the Superior Court Injury Panel until only one remains. These arbitrators shall have workers' compensation experience.

Authority of the Arbitrator. The arbitrator shall hear the appeal and determine whether or not injury leave should be granted and, if so, its duration by applying only this Injury Leave provision. The decision of the arbitrator shall be final.

Each party to the appeal before an arbitrator shall bear their own expenses in connection therewith. All fees and expenses of the arbitrator shall be borne one-half by the County and one-half by the appellant. However, during the term of this agreement, the appellant's share shall not exceed one hundred fifty dollars (\$150) per hearing.

F. Duration of Injury Leave

1. No injury leave may be granted during the first three (3) full calendar days after the employee leaves work as a result of the injury, except where the injury causes disability of more than fourteen (14) full calendar days or necessitates hospitalization within the three (3) calendar day waiting period. In such cases, injury leave may commence the first day the injured employee leaves work or is hospitalized as a result of the injury.
2. The duration of injury leave shall be that determined by the Director, after an investigation. An injury shall be deemed to continue through a recurrence, aggravation, or sequelae of the initial injury for which the leave may be granted. Injury leave shall not total more than one thousand four hundred and forty (1,440) aggregate hours for the particular injury.
3. If, subsequent to the granting of injury leave for a period of less than one-thousand four hundred and forty (1,440) aggregate hours, it appears that leave should be granted for an additional period of time, the employee may request additional injury leave. This request shall be submitted and determined in the same manner as an original request for injury leave,

ARTICLE 6. PAID LEAVES (Cont'd)

provided that the total duration of the original and additional injury leave shall not exceed one-thousand four hundred and forty (1,440) aggregate hours for the particular injury.

4. In no event shall any injury leave exceed a total of one thousand four hundred and forty (1,440) aggregate hours, extend beyond five (5) years from the date of the initial injury, nor extend beyond the period in which the employee is employed.

G. Holidays Falling During Injury Leave

A holiday falling during the period of injury leave shall be charged as injury leave and not paid as a holiday.

Injury Leave time shall be considered paid leave for the purpose of determining eligibility for accruing floating holiday credits.

H. Absence Pending Injury Leave

When a claim for workers' compensation benefits and/or a final determination of entitlement to injury leave is pending, an employee may take paid leave or compensatory time off. If the employee becomes eligible for injury leave, it shall commence on the date determined by the Director after an investigation. Any sick leave, compensatory time, or other paid leave used in lieu of injury leave after such date of commencement, shall be restored to the employee's balance(s), except that if the difference between the paid leave used and the injury leave for the same time period requires that employee reimburse County, the difference shall be deducted from the balances restored, to the extent available.

I. Workers' Compensation and Leave

1. An employee shall not, through a combination of temporary disability indemnity payments and paid sick leave, injury leave or paid leave pursuant to Section 4850 of the Labor Code, receive payment in excess of his or her wage rate. The amount paid for such leaves shall be decreased by the amount of any temporary disability for the same period to which the employee is or may be entitled under Workers' Compensation.
2. If an employee has received his or her wage rate as paid sick leave, and temporary disability back payments covering the same period are made to the employee, then the employee shall be liable to the County for the amount that the combination of such back payments and sick leave exceeds the employee's wage rate. The County may deduct from any future payments it makes to such employee an amount equal to the total of such excess payment. Insofar as practical, such deduction shall be done by a method that will not cause undue hardship to the employee. To the extent

ARTICLE 6. PAID LEAVES (Cont'd)

that such deductions represent compensation for sick leave used, the employee's sick leave balance shall be restored.

3. Nothing herein contained shall be deemed to affect the employee's entitlement to medical, surgical and hospital treatment or temporary disability indemnity benefits under Workers' Compensation.

J. Light Duty

Where the injured employee's treating physician authorized by the County recommends light-duty assignment, it will be the responsibility of the appointing authority to arrange suitable light duty. Department of Human Resources may provide staff technical assistance to find a suitable light-duty assignment, one which accommodates the particular restrictions provided by the treating physician.

A. Eligibility

B. Court Leave Shall be Limited to:

1. Required attendance before Federal, Superior, Municipal, and Justice Courts located within San Diego County or within the employee's county of residence.

Request for such time off will be submitted in the manner prescribed by the employee's appointing authority.

The Health and Human Services Agency agrees to provide a copy of the Agency's Policy and Procedure Manual Policy No. D-13: "Education Reimbursement and Educational Release Time." This policy provides the procedures for requesting approval of educational release time.

- B. An employee in a class included in the Professional Unit (PR) may receive a minimum of two (2) calendar days each year to attend conferences and other educational activities which will be beneficial to the employee and the County. The determination as to when and whether an employee receives this leave will be made by the appointing authority. There shall be no accumulation of this time. For payroll purposes, this time will be counted as time worked.
- C. The Health & Human Services Agency agrees not to change its current administrative policy related to educational release time and professional leave.

All employees shall have an opportunity to participate at internal in-person self-defense and de-escalation training once every two years on paid County time. The County shall make efforts to ensure these trainings are made available.

Section 9. Administrative Leave

A. Definition

Administrative leave means the employee's non-disciplinary paid absence from duty imposed by the appointing authority under specified conditions.

B. Eligibility

Biweekly rate employees shall be eligible to receive administrative leave.

C. Conditions

The appointing authority may direct an eligible employee to take administrative leave only if there is the occurrence, or the likelihood for the occurrence of, emergency or extraordinary circumstances which satisfy either one (1) or both of the following two (2) conditions:

1. The immediate removal of the employee from the County work site is essential to avert harm to the County (including unauthorized destruction or removal of any property or records of the County), the public, other County employees, or the employee themselves, and that such circumstances are sufficiently unclear to make a final determination without an investigation of whether the employee contributed or may contribute to such harm.
2. The removal of employee from the County work site is essential to ensure the conduct of a full, fair and complete investigation of such emergency or extraordinary circumstances.

D. Ineligibility

Notwithstanding Sections 9.B and 9.C above, the employee shall not be eligible to be placed on administrative leave if:

1. The appointing authority is able to avert the occurrence of the circumstances specified under Sections 9.C.1 or 9.C.2 above, by reassigning the employee to other duties or to a different work site within the department; or
2. The employee agrees to take accumulated paid leave time off at the request of the appointing authority; or

ARTICLE 6. PAID LEAVES (Cont'd)

3. The emergency or extraordinary circumstances, referenced under Section 9.C above, are, as a result of the Skelly conference, sufficiently clear to indicate that the employee's conduct has caused such circumstances and that such conduct constitutes grounds for immediate suspension or termination pursuant to Rule VII of the County of San Diego Civil Service Rules.

E. Procedures

1. The appointing authority shall provide the employee written notice of the administrative leave, its effective date and duration, and the reasons for placing the employee on such leave. A copy of this notice shall be sent to the Director and the Payroll Division of the Auditor and Controller.
2. The appointing authority shall commence an investigation of the emergency or extraordinary circumstances not later than one (1) working day following the date of the written notice of administrative leave to the employee. The appointing authority may commence such investigation prior to the date of the written notice.
3. If prior to the end of the administrative leave period (as specified in the written notice to the employee), the appointing authority determines that the employee's absence is no longer essential, the appointing authority shall notify the employee that administrative leave is no longer authorized effective the next working day and direct the employee to return to duty on such date. Such notice may be oral but must be memorialized in the form of written notice which shall be provided to the employee. A copy of this notice shall be sent to the Director and the Payroll Division of the Auditor and Controller.

F. Duration

1. Administrative leave may be authorized for up to ten (10) working days for each separate and distinct set of emergency or extraordinary circumstances as set forth under Section 9.C above. Administrative leave may be extended additional working days if more time is needed to complete the investigation, subject to the approval of the Director. When leave is extended for additional working days, the Skelly conference shall be conducted prior to the expiration of the leave except in cases of criminal investigations or other extenuating circumstances. In cases of investigations by law enforcement agencies or management, or pending Skelly conferences, administrative leave may be further extended upon approval of the Director. The employee shall be notified of any extension of the administrative leave. Such notice may be oral but must be memorialized in the form of written notice which shall be provided to the employee prior

ARTICLE 6. PAID LEAVES (Cont'd)

to the end of the extension of the administrative leave. A copy of this notice shall be sent to the Director and the Payroll Division of the Auditor and Controller.

2. The duration of administrative leave, including any extension thereof, shall not continue beyond the day the appointing authority determines, based upon the investigation of the facts and circumstances, that the employee's absence from the County work site is no longer essential.
3. At the end of the authorized administrative leave, the employee shall return to duty, unless:
 - a. Other forms of authorized leave are approved by the appointing authority; or
 - b. A final order of suspension or termination against the employee has been implemented.

Section 10. Catastrophic Leave Program

Leave credits, as defined below, may be transferred from one or more employees to another employee, on an hour-for-hour basis, in accordance with departmental policies upon the request of both the receiving employee and the transferring employee and upon approval of the employee's appointing authority, under the following conditions:

- A. The receiving employee is required to be absent from work due to injury or the prolonged illness of the employee, employee's spouse, registered domestic partner, a domestic partner listed on an "Affidavit of Enrollment of Domestic Partners" submitted to employee benefits, parent, or child, has exhausted all earned leave credits, including but not limited to sick leave, compensatory time, holiday credits and disability leave and is therefore facing financial hardship.
- B. The transfers must be a minimum of four (4) hours per transaction and in whole hour increments thereafter.
- C. Transfers shall be allowed to cross departmental lines in accordance with policies of the receiving department.
- D. The total maximum leave credits received by an employee shall normally not exceed five hundred and twenty (520) hours; however, if approved by their appointing authority, the total leave credits may be up to one thousand and forty (1,040) hours. Total leave credits in excess of one thousand and forty (1,040) hours will be considered on a case-by-case basis by the appointing authority subject to the approval of the Chief Administrative Officer.

ARTICLE 6. PAID LEAVES (Cont'd)

- E. The transfers are irrevocable and will be indistinguishable from other leave credits belonging to the receiving employee. Transfers will be subject to all taxes required by law.
- F. Leave credits that may be transferred under this program are defined as the transferring employee's vacation credits or up to twenty-four (24) hours of sick leave per fiscal year.
- G. Transfers shall be administered according to the rules and regulations of the Auditor and Controller and made on a form prescribed by the Auditor and Controller. Approvals of the receiving and donating employee, the donating employee's appointing authority, and the receiving employee's appointing authority (in the case of interdepartmental transfer) will be provided for on such form.
- H. Eligibility to be a receiving employee in this program is not subject to the Grievance Procedure of this Agreement.

Section 11. Employee Poll Worker Program

- A. Any regular County employee, other than employees whose primary jobs are assigned to the Registrar of Voters, may apply for paid leave from County employment to serve as a volunteer Poll Worker while receiving their regular wages in a polling place in San Diego County through the "Employee Poll Worker Program" when Election Day falls within the employee's regularly scheduled workday.
- B. Employees selected to serve as voluntary Poll Workers will be paid a stipend of \$75, \$125, or \$150 as an incentive to serve in this capacity. Employees paid at the \$125 or \$150 stipend level will be required to attend a training class estimated to be approximately four (4) hours in length. If a County employee chooses to serve in a capacity requiring the attendance at a training class, the employee will be granted release time to attend the required training. Employees attending training during their regularly scheduled work hours must request in writing to their appointing authority for approval to use release time to attend such training. Alternately, they may elect to attend a training class conducted at a time that does not fall within the employee's work schedule.
- C. Subject to the discretion of their appointing authority to grant or deny the employee's request to participate in the Employee Poll Worker Program, based on the need of the service, a regular employee is qualified for approval as follows:
 - 1. The employee has successfully applied for and been selected and found qualified by the San Diego County Registrar of Voters to serve as a voluntary Poll Worker.

ARTICLE 6. PAID LEAVES (Cont'd)

2. The employee has made a request to their appointing authority for an absence from County employment for the employee's entire regularly scheduled work hours on Election Day to serve as a volunteer Poll Worker in San Diego County.
 3. On Election Day, the employee has fully executed their responsibilities as a Poll Worker and reported to their assigned polling place at the designated time, performing all the duties appointed by the County elections official and as required by applicable state and federal elections' laws, and remained on duty until the poll was properly closed and secured and until released by the County elections official.
 4. As a volunteer, the employee is entitled to receive the normal stipend paid by the Registrar of Voters to all volunteer Poll Workers: \$75, \$125 or \$150 based on the assignment. The stipend shall not be counted in any computation of the total wages or compensation paid the employee by his or her regular employment with the County.
- D. Any regular County employee who qualifies and is approved for the Employee Poll Worker Program will receive their regular pay while on paid leave from County employment for one (1) regularly scheduled workday that falls on the day of the election. Such employees will not be eligible for overtime as they are excepted from such compensation eligibility by the Fair Labor Standards Act (FLSA) because the work is voluntary, occasional and sporadic, and in a different capacity from their regular job classification.

Section 12. Paid Emergency Leave

During a public emergency, as declared by the Chief Administrative Officer, impacted employees may be granted paid emergency leave upon request by employees. Each eligible employee may be authorized to use up to 80 hours per fiscal year of emergency leave for qualifying activities. Emergency leave requests shall be subject to review and approval by the Deputy Chief Administrative Officer or designee. This leave shall not be available to any employee while on an approved leave of absence. The authorized paid leave hours are not eligible for cash payout or terminal payoff.

ARTICLE 7. UNPAID LEAVES

ARTICLE 7. UNPAID LEAVES (Cont'd)

Section 1. Leave of Absence Without Pay

A permanent employee may be granted unpaid leave either with the right to return or without the right to return. Exception: No paid leave of any kind will be granted an employee who is on suspension as discipline.

A. Leave Without Pay with Right to Return

If leave without pay with right to return is granted, after such leave the employee shall be entitled to return to the same class in the same department as was occupied at the commencement of the leave. An employee shall not be required to exhaust all their vacation and compensatory time before commencing this type of leave.

At the discretion of the appointing authority, an employee may be granted:

1. Leave without pay for a maximum of sixty (60) workdays. Leave beyond sixty (60) days not to exceed one (1) year is subject to the approval of the Director of the Department of Human Resources. Personal leave may be authorized for pregnancy and childcare.
2. Temporary Appointment Leave. An employee may be granted leave without pay to accept a temporary appointment (includes provisional appointments) to a classified position in the same or another County department. Such leaves shall be for a maximum of twenty-six (26) biweekly pay periods. Such leaves shall be for a maximum of twenty-six (26) biweekly pay periods.

An employee granted leave without pay pursuant to this provision, if not offered an opportunity to return to the same class of position in the same department at the expiration of such leave, shall be provided additional leave until a position in their class and department is made available to them, provided that such employee shall have a right to the first vacancy in their class and department which occurs during such additional leave, and provided further that such additional leave shall not exceed twenty-six (26) biweekly pay periods.

3. Leave without pay when certified by a medical doctor to be unable to perform the duties of the employee's position. Such leave shall be for the duration of the disability but not to exceed one year. However, if an employee is unable to return to work at the end of one (1) year, the employee shall be placed on leave without pay without right to return for a maximum of one (1) year, as provided in Section 1.B below.

At the discretion of the appointing authority, and approval of the Director, Department of Human Resources, an employee may be granted:

ARTICLE 7. UNPAID LEAVES (Cont'd)

4. Leave without pay for good cause, other than illness, up to twenty-six (26) biweekly pay periods. Good cause includes leave requested for Union activity. Such leaves may be extended a maximum of twenty-six (26) biweekly pay periods by the Director if circumstances warrant.

B. Leave Without Pay Without Right of Return

If leave without pay without right of return is granted, after such leave, the employee shall have no entitlement to return to the same class in the same department as they occupied at the commencement of the leave.

The Director, Department of Human Resources, may, with proper justification, grant a leave without pay without right to return for a maximum of twenty-six (26) biweekly pay periods.

An employee granted leave without pay pursuant to this provision, if not offered an opportunity to return to the same class of position in the same department at the expiration of such leave, shall be provided additional leave until a position in their class and department is made available to them, and provided further that such additional leave shall not exceed twenty-six (26) biweekly pay periods. Any employee who is not returned to County employment at the expiration of the initial leave without pay and who is not returned to County employment within the next succeeding twenty-six (26) biweekly pay periods shall be deemed to be absent without leave.

C. Leave Without Pay – Staff to Elected Official

The flexible benefits plan is a cafeteria-style benefits program wherein the County makes a contribution toward the Flexible Benefits Plan for each eligible employee to be allocated during the employee's active employment. The County contribution is distributed by the employee among the menu of benefit options listed below, the specific details and administration of which are set forth in the plan brochures:

"Core" Benefits:

Optional Benefits:

- Dental insurance

This election may only be made during the County’s open enrollment period or during the year as the result of a qualifying “change in status” as defined by Section 125 of the Internal Revenue Code. For employees waiving primary participation in a County-sponsored health plan, the County’s contribution will be deposited into the employee’s Flexible Spending Account.

to commence. Eligibility shall terminate on the last day of the month in which an employee last had paid service provided that the employee's portion of the health insurance premium is paid for such period.

Employees who do not submit completed enrollment forms within forty-five (45) days of hire will be offered the County's least costly health plan under each medical provider.

Notwithstanding the above, eligibility for all flexible benefits plan features which are in addition to health insurance shall be thirty (30) days after the effective date on which health insurance coverage begins.

5. Employee Insurance Coverage During Leaves of Absence

- a. Life Insurance. Employees on leave without pay for any reason, including suspension, may continue their life insurance coverage for up to six (6) full months.

Employees choosing to continue their life insurance may do so for up to six (6) months while on leave. Premiums must be paid by the end of the month in which the employee had coverage.

Employees may pay all premiums required for the entire six (6) month leave period in advance. In the event an employee who is on leave without pay does not pay premiums in advance of end of the month, the coverage shall be discontinued. Such employees shall be entitled to re-apply upon return to work subject to medical insurability acceptable to the insurance provider.

- b. Medical Insurance (Includes Health Insurance) During Leaves of Absence. During leave without pay, and in accordance with the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1986 (Pub. In the event an employee who is on leave without pay does not pay medical insurance premiums in advance, the coverage shall be discontinued. Such employees shall be automatically re-enrolled in the same health plan enjoyed previous to leave without pay, within thirty (30) days from the date they return to work.

Effective date of coverage will be the first day of the month following receipt of enrollment forms in the Employee Benefits Office. With certain health plans, re-enrollment is contingent upon medical insurability.

ARTICLE 9. EMPLOYEE BENEFITS (Cont'd)

The commencement of leave without pay shall be considered a “qualifying event” as defined under COBRA by virtue of the employee’s reduction in working hours. Employees who elect coverage under COBRA by choosing to continue their medical insurance shall pay one hundred two percent (102%) of the applicable premium and shall be subject to the same administrative requirements as all other COBRA group plan members. Premiums will be calculated and paid by the employee at least one (1) month in advance.

- c. The administration of these benefits is subject to the rules and requirements of the Department of Human Resources.
- 6. Flex credits not designated for eligible services are placed in the employee’s health FSA. IRS regulations establish annual maximum limits for flexible credits which may be rolled over to an FSA. An employee is not entitled to flexible credits that, when rolled over to an FSA, exceed the maximum limits allowed by law. Any employee who is expected to have flexible credits rolled over to an FSA that will exceed the maximum limits shall have their bi-weekly flex credit contributions adjusted to an amount, that when calculated on an annual basis, will be equal to the maximum allowed by law.

Notwithstanding the above paragraph, if an employee experiences a “qualifying event” as defined by IRS and HIPPA Regulation, or has a triggering event that impacts flex credits, that employee will be allowed to change their status and have their flex benefits recalculated so as to maximize or recoup any retroactive flex benefits previously adjusted, in order to realize the maximum value of the flex benefit contribution, subject to IRS limitations.

B. Life Insurance

The County’s Flexible Benefit Plan shall include as a “Core” Benefit, Life Insurance for each eligible employee in the amount of ten thousand dollars (\$10,000) for the employee and two thousand dollars (\$2,000) for each dependent.

This Task Force shall be a standing committee and will meet on a mutually agreed upon schedule (at least quarterly) to consider issues of health care delivery to employees.

This Task Force shall study activities which have the potential of limiting health plan costs without shifting costs to workers or otherwise reducing levels of benefits or quality of care. The Task Force shall develop recommendations for measures to hold insurance carriers, administrators and hospitals and physicians more accountable for controlling health care costs.

Any changes to the existing health/life insurance programs would be subject to the meet and confer process. In no event, during the term of this Agreement will there be a reduction in flex credit contribution by the County or change in benefits unless mutually agreed upon by the parties.

ARTICLE 10. PERSONNEL PRACTICES

Section 1. Personnel Files

An employee, or a Union representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired. Employees shall normally request such files forty-eight (48) hours in advance of such inspection.

An employee shall be entitled to read any statement, written by the employee's supervisor or departmental management, on their work performance or conduct if such statement is to be filed. No such statement shall be filed before all County appeal rights are exhausted. If such a statement is inadvertently filed before all County appeal rights are exhausted, the employee may request sealing of the applicable portions of their file by the Civil Service Commission. The request for sealing may be made after a decision on the appeal has been rendered. All such statements on which filing is delayed pending completion of the County appeal process, shall be filed upon the rendering of a decision, if such decision upholds the statement or charges against the employee in whole or, if upheld in part, it shall be filed as amended. The employee shall acknowledge reading such material by affixing their signature on the actual copy to be filed, with the understanding that such signature merely signifies that the employee has read the material to be filed and does not necessarily indicate agreement with its content. If the employee refuses to initial, the supervisor will sign, noting the refusal of the employee to initial. Any employee shall have the right to rebut in writing any material placed in their personnel file and such rebuttal shall be added to the file.

Disciplinary action includes a written reprimand, suspension, demotion, or discharge. If

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

the department takes disciplinary action against an employee, the department, upon request of the employee, will furnish the employee a copy of all documents or written statements used by the department as a basis for its action. All correspondence of commendation shall be entered as a permanent part of an employee's personnel file, except where they are shown to be frivolous. In that case, they shall be returned to the employee. At the time of conferences, meetings, or hearings held for the purpose of disciplinary action as defined in the paragraph above or which the employee believes may result in disciplinary action, the employee shall have the right to representation, including Union representation.

Any document that was mistakenly placed in the employee's personnel file shall be removed from the personnel file by the Department of Human Resources upon the written request of the employee and the employee's appointing authority.

Any employee shall have the right to rebut in writing material placed in their personnel file and such rebuttal shall be added to such file.

Section 2. Dismissal During Probation

Probationary employees will be given as much notice as is possible of their dismissal during probation either through the performance report or other written notification. Section 3. Employees in the Food Services Unit

For employees in the Food Services Unit, management will provide a list to provide relief for sick leave and other personnel shortages in the Probation Department and the Health & Human Services Agency. Section 5. Application of Seniority to Administrative Transfers – Social Work Supervisors Unit

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

When employees in classes in the Social Work Supervisors Unit are to be administratively involuntarily transferred, the application of seniority to said transfers will be discussed by the Health and Human Services Agency with the Union upon request.

Section 6. Legal Representation

Upon request of an employee and subject to any limitations provided by law, the County will provide for the defense of any civil action or proceeding initiated against the employee by a person or entity other than the County in a court of competent jurisdiction on account of any act or omission occurring within the course and scope of their employment as an employee of the County.

Nothing herein shall be deemed to require the provision of such defense where the discretion to provide or not provide such defense is vested in the County pursuant to the provisions of the California Government Code, now and as amended or where the act or omission was not within the scope of the employee's employment, or the employee acted or failed to act because of actual fraud, corruption or actual malice, or where the provision of such defense would create a conflict of interest between the County and the employee.

Nothing herein shall be construed to grant to any employee any rights or privileges in addition to those provided in the said Government Code.

Section 7. Layoff Procedure

A. General

When the Board of Supervisors determines it is necessary through lack of work or funds, to reduce the number of employees in any class covered by this Agreement, the appointing authority of the department concerned shall notify the Director in writing of the number of employees to be laid off, the class title, and the date the employees are to be laid off. Upon receipt of such notice, the Director shall give to the appointing authority, the names of the employees who should be first laid off in accordance with this procedure.

B. Exceptions

1. Sub-organizational Layoff. When the appointing authority so requests, the Chief Administrative Officer may authorize an appointing authority to lay off employees within a division, office, section, institution or other subdivision of an office, department or institution instead of laying off employees from the office, department or institution as a whole. In such case, the foregoing provisions shall be applied to the division, office, section, institution or other subdivisions within which the Chief Administrative Officer has authorized the layoff. Prior to such layoff, the appointing authority shall provide the

2. Required Specialized Skills. When the appointing authority so requests, employees who perform required services and possess specialized knowledge, and/or skill not possessed by other employees in the Department and which are necessary to the operation of the Department, may be excepted from layoff, as authorized by the Civil Service Commission pursuant to a finding that such exception from layoff is in the public interest.

C. Notice of Layoff

1. Department of Human Resources Notice to Department and to Union. Prior to the occurrence of a layoff, the Director, shall provide written notice to the Union when the Department is notified of any employees covered by this Agreement, who are identified for layoff. This notice shall list all persons in the affected class including the number, class title, seniority rating, and date on which affected employees are to be laid off.
2. Appointing Authority Notice to Employees. Upon receipt of the layoff list, the appointing authority shall prepare and serve a Notice of Layoff. The notice shall contain the following information:

The employee shall be informed that failure to contact or meet with the Director or designated representative within the prescribed period will be deemed a waiver of any

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

objections that might have been raised regarding the list, rating, or ranking;

- h. A statement that the layoff will be effective on the date indicated unless the appointing authority advises the employee in writing otherwise prior to the effective date and time set forth on the notice;

D. Approval and Service of Notice

The Notice of Layoff shall be approved by County Counsel prior to its distribution to any employee. The Notice of Layoff shall be served, either personally or by mail, on an employee at least thirty (30) calendar days prior to the effective date of the layoff.

Permanent employees shall be laid off according to the layoff ratings, lowest ratings first. The order of layoff within categories 1, 2, and 3, and for permanent employees with equal layoff ratings, shall be at the appointing authority's discretion. Employees on leave shall be laid off or demoted in lieu of layoff as if they were active employees.

F. Seniority

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

Seniority is the employee's total hours of continuous County service. All service of a blanketed-in employee shall, for the period prior to classification to the position, be credited for seniority purposes whether or not it was continuous. All seniority is lost upon resignation or dismissal. Any employee who has gained permanent status and is laid off, shall, if reinstated, regain their seniority credit possessed at the time they were laid off.

G. Calculation of Layoff Rating

1. Continuous-service-date to May 23, 1986 ("historical" layoff rating). The purpose of this "historical" layoff rating is to calculate employees' service credit for purposes of the past to the date of the last full pay period May 9, 1986. These points will constitute employee's layoff rating for the past, to which the points calculated for prospective implementation (standard layoff rating) will be added as provided below:

Historical layoff rating: One (1) point for each hour of continuous (unbroken) service from last date employee was hired into the classified service (80 points for each full biweekly pay period).

2. Standard layoff rating: One (1) point for each hour of paid service (excludes all unpaid leaves or periods of suspension but includes short-term voluntary work furlough), after the day specified in paragraph (1) above.
3. Formula for combining historical and standard layoff ratings. Employees in classes identified for layoff shall have their seniority calculated as follows to combine historical and standards ratings:

Total historical ratings: _____ Hours
Plus: standard rating: _____ Hours
Total: _____ Hours/Points

The total of these two ratings shall constitute the employee's official layoff rating.

H. Demotion in Lieu of Layoff

The appointing authority shall determine by class, subject to review by the Director, whether demotion shall be afforded employees as an option in lieu of layoff.

At the request of the appointing authority, a permanent employee shall, in lieu of layoff, be afforded the option of demotion within the same department to a position in a lower class, provided that no such demotion shall in turn require the layoff or demotion from such lower class of any employee whose layoff rating is at least as high as that of the demoting employee. A probationary employee may be afforded

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

the opportunity to accept a demotion within the same department to a position in a lower class provided no such demotion shall in turn require the layoff of any employee in the lower class. Such probationer shall not become permanent in the lower class by this action except by completing a new full probation period in such lower class.

I. Cash in Lieu of Compensatory Time Off

The payment of cash in lieu of compensatory time off for an eligible employee who is laid off shall be in accordance with Article 5.

J. Eligibility to be Placed on Reinstatement List

A permanent employee who is laid off, demoted in lieu of layoff, or whose compensation ordinance position is to be deleted as a result of the Board of Supervisors having had a second reading of an Ordinance amendment to delete the position, shall have their name placed on the reinstatement list for the class from which the employee is, or is to be, laid off or demoted in lieu of layoff. Employees shall be on the reinstatement list for three (3) years except that an employee who three (3) times refuses an offer of reinstatement to the class from which they were laid off, or to a class of equal status, or fails to respond to an offer of reinstatement, shall have their name removed from the reinstatement list following said refusal.

In addition, if the employee on the reinstatement list is appointed to a class from which they were laid off, or to a different class of equal or greater status than the reinstatement list class, then their name shall be removed from the reinstatement list. An employee who accepts an offer of reinstatement to the class from which they were laid off shall also be removed from the reinstatement list upon the date of reinstatement. The placement on the reinstatement list shall be determined in the same manner as for the order of layoff except in the inverse order thereof. Employees on the reinstatement list shall have the first right of reinstatement to any vacancies in any department for the class for which they are eligible for such reinstatement, subject to the following:

1. A new probationary period shall not be required of an employee reinstated to a department from which they were laid off.
2. A new probationary period shall be required of an employee reinstated to a different department than that from which they were laid off, except that failure of probation shall return the employee to the reinstatement list. In no event shall such failure of probation extend the employee's placement on the reinstatement list beyond three (3) years from the date of placement on it.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

3. A reinstated employee will regain their seniority credit possessed at the time they were laid off, which shall count for purposes of vacation accrual rate and step increase. In addition, the employee's sick leave balance (except for that portion for which the employee paid cash at the time of layoff), and compensatory time off balance accrued as of layoff, shall be reinstated.

Section 8. Safety

The County and the Union agree that safe working conditions are the mutual responsibility of each employee and supervisor. Each employee has the responsibility to immediately report an unsafe working condition to their supervisor. The supervisor has the responsibility to investigate an allegation that a working condition is unsafe. The parties agree that the following procedure shall be utilized in promoting a safe work environment for all employees:

- A. All employees shall be entitled, through an appropriate forum, to participate in the development of safety programs.
- B. The County shall provide a list of all safety officers, their department, addresses, and phone numbers to the Union. Such list shall be kept current by the County.
- C. No employee shall be obligated to work in a facility or worksite, with any machinery or on equipment which is not safe.
- D. Any employee who believes that an unsafe condition exists shall report such condition verbally to the supervisor immediately upon discovery of such condition. An employee may bring a Union representative as long as it does not interfere with the immediate reporting of the safety issue. The employee shall report such condition to the supervisor in writing as soon as possible. After receipt of a written report, the supervisor shall have the responsibility to remedy the situation or to seek an opinion from qualified personnel in the County whether an unsafe working condition exists. If a determination is made that an unsafe working condition exists, corrective action process shall be initiated as soon as possible.
- E. If the supervisor fails to respond or refuses to initiate the corrective action process, the employee may present the written report to their Union steward, or if no steward is available, the Union field representative. Such Union officer shall be entitled to communicate with the appropriate safety officer(s) or, subsequently, the appointing authority's representative to seek a resolution of the issue.
- F. A disagreement between the employee and the supervisor as to whether or not an unsafe working condition exists may be addressed pursuant to the Grievance Procedure. Such grievance shall be processed in an expeditious manner.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

- G. The county shall provide adequate Personal Protective Equipment (PPE) in sufficient supply on-site on an ongoing basis to keep employees safe. If an employee believes there is insufficient PPE, they shall have the right to immediately notify their supervisor.

Section 9. Committees

A. Departmental Committees

1. Departmental Labor Management Committees will be established in the Departments of General Services, the Health and Human Services Agency, Public Works and the Sheriff to be composed of a coordinator and four (4) employee representatives and one (1) staff representative from the Union, and five (5) representatives from the County. The Committee shall address issues concerning all departments employing employees covered by this Agreement.
2. The Committee shall meet at least quarterly, or upon the written request of either party, for the purpose of discussing matters of mutual concern. Grievances and adverse actions shall not be discussed at such meetings. Matters subject to the duty to bargain and not appropriately discussed in another forum, such as the Safety Committee, may be discussed. However, the Labor Management Committee shall not have the authority to add to, amend, or modify this Memorandum of Agreement.

4. Meetings: The Labor Management Committee shall be authorized to meet on County premises and on County time, not to exceed two (2) hours per meeting.
5. Clerical Dignity and Respect

The County is committed to support the practice of all employees interacting in a dignified and respectful manner at all times in the workplace. To memorialize this ongoing commitment, the County agrees with the Union to give "Clerical Dignity and Respect" issues first priority at the departmental Labor Management Committees when they convene for the first time. The first item to be placed on the agenda of each committee will be "Clerical

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

Dignity and Respect” issues to be seriously considered by the members of each committee. Employees with dignity and respect concerns may be called upon to make presentations at these committee meetings. If it appears to be beneficial, a special facilitator could be brought in by the parties through a mutually acceptable process.

Each departmental Labor Management Committee will then draft a mutually agreeable process for routinely addressing “Clerical Dignity and Respect.”

B. Departmental Ad Hoc Labor Management Committee

The parties agree to establish Ad Hoc Labor Management Committees for all departments not listed above to be convened upon mutual agreement or upon request of the Union to address issues concerning all employees covered by this Agreement.

1. Such Ad Hoc committees shall each be composed of a coordinator and three (3) employee representatives and one (1) representative from the Union and four (4) representatives from the County.
2. Grievances and adverse actions shall not be discussed at such meetings. Matters subject to the duty to bargain and not appropriately discussed in another forum, such as the Safety Committee, may be discussed. However, such Ad Hoc Labor Management Committee shall not have the authority to add to, amend, or modify this Memorandum of Agreement.
3. During the term of this agreement, the subject of workload and Employee Safety shall be a standing issue. Other issues to be discussed at said meetings shall be submitted mutually designated committee coordinator along with the names of resource people, if any, for an agenda prior to the meeting. If additional resource people are needed, a reasonable number maybe called to the meeting, subject to their availability. Management will respond within 30 days, when possible, to agenda items.

For emergency related reasons, following the activation of the County's COOP, an appointing authority: (1) may order eligible employees, who are currently working, to leave their normal work location before the scheduled end of their assigned work shift, or (2) may order eligible employees, who are not currently working, to arrive at their normal work location later than the scheduled beginning of their assigned work shift. Such employees shall be compensated pursuant to the paid leave of absence provisions applicable to their absence from work during the days specified in subsection (c). This section also shall not apply to employees who were on authorized leave without pay during all or any portion of any of the days specified in subsection (c) since such employees would not have worked on these days regardless of the emergency conditions. All ordinances, rules and regulations enacted by the Board of Supervisors, Civil Service Commission, Labor Relations Ordinance, or other County commission or board having independent rule-making authority shall be subject to the appropriate revisions, amendments and deletions necessary to conform with the purpose, intent and application of the provisions of the Memorandum.

Alternatively, should the parties mutually agree, they may jointly elect to renegotiate any provision voided, suspended or altered by such wage and/or benefit freeze.

To effectuate this provision, the County may, subject to reasonable notification and opportunity to state, in writing, the employee's position, make payroll adjustments in individual employee's warrants.

Any changes to the existing health/life insurance programs would be subject to the meet and confer process.

ARTICLE 18. RENEGOTIATION AND FUTURE EQUITY PROCESS

In the event the Union desires to meet and confer in good faith on the provisions of a successor memorandum, it shall serve upon the County its written request to commence meeting and conferring in good faith for such successor memorandum. Negotiations shall begin at a time mutually agreeable to the parties.

Upon request of either party, no more than six months prior to the expiration of the current MOA, the parties can meet and confer over the composition of the bargaining team.

Understanding the importance of attracting and retaining a qualified workforce, the Union and the County will evaluate achieving full equity for these classifications in the next successor contract negotiations. The parties shall devote their first two bargaining sessions of the successor negotiations to this subject and shall continue to negotiate over the subject thereafter if further sessions are required. The parties also agree to appoint a mediator to assist them in the negotiations over this subject and shall schedule the mediator as needed. The mediator shall be mutually selected by the parties and the Union and County shall equally share the costs and fees of the mediator.

The County shall complete and issue an equity study ("2024 Equity Study") no later than January 1, 2025.
