

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Transportation	Roads, Bridges & Major Projects	Tribal Transportation Facility Bridges (Bridge Formula Funding Set-Aside)	Department of Transportation	\$825,000,000	Summer 2022	3% of Bridge Formula Funding for Tribal transportation facility bridges. Available 4 Years	Tribal agencies would take the lead in pursuing these grants and may coordinate with the County if needed.
Transportation	Roads, Bridges & Major Projects	National Highway Freight Program	Department of Transportation	\$7,150,000,000	Open: October 2022	Projects that contribute to the efficient movement of freight on the National Highway Freight Network. Available 4 Years	Interregional fleet and multimodal projects occur on State Highways and Interstates.
Transportation	Roads, Bridges & Major Projects	National Infrastructure Project Assistance (Megaprojects)	Department of Transportation	\$5,000,000,000	Open: March 22 2022 Closed: May 23, 2022	Large projects that are difficult to fund by other means and likely to generate economic, mobility, or safety benefits. Available Until Expended	No identified Nationally significant project within unincorporated County jurisdiction.
Transportation	Roads, Bridges & Major Projects	Federal Lands Transportation Program (funds for National Parks)	Department of Transportation	\$1,731,187,250	2022-2023	Supports critical transportation needs within the national parks, forests, wildlife, refuges, recreation areas. Available 4 Years	N/A, National Parks are not under County jurisdiction.
Transportation	Roads, Bridges & Major Projects	Federal Lands Access Program	Department of Transportation	\$1,487,875,000	2022-2023 (Est. Fall 2022)	Supporting transportation facilities to provide access to lands owned and operated by the Federal Government. Available 4 Years (\$30,035,928 CA)	No projects envisioned that provide access to Federal Lands.
Transportation	Roads, Bridges & Major Projects	Transportation Infrastructure Finance and Innovation Act	Department of Transportation	\$1,250,000,000	TBD	Provides Federal credit assistance to eligible surface transportation projects. Available 4 Years	None of the identified facility types such as passenger rail, freight rail, intermodal freight transfer facilities are under County jurisdiction.
Transportation	Roads, Bridges & Major Projects	Appalachian Development Highway System	Department of Transportation	\$1,250,000,000	Open: October 2022	Construction of specific projects to complete the Appalachian Development Highway System. Available Until Expended	N/A in California.
Transportation	Roads, Bridges & Major Projects	National Culvert Removal, Replacement, & Restoration Grant	Department of Transportation	\$1,000,000,000	Open: Summer 2022	Projects for the replacement, removal, and repair of culverts or weirs. Available Until Expended	No projects identified to improve or restore fish passage for anadromous fish in culverts on County roads
Transportation	Roads, Bridges & Major Projects	Reconnecting Communities Pilot Program	Department of Transportation	\$1,000,000,000	Open: June 2022	Restore community connectivity by removing, retrofitting, or mitigating facilities. Available Until Expended	No planning concepts envisioned in unincorporated areas.
Transportation	Roads, Bridges & Major Projects	Puerto Rico Highway Program	Department of Transportation	\$900,995,000	Open: October 2022	Carry out a highway program in the Commonwealth of Puerto Rico. Available 4 Years	N/A in California.

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Transportation	Roads, Bridges & Major Projects	Highway Research & Development Program	Department of Transportation	\$310,000,000	TBD	R&D improve safety, foster, innovation, accelerate projects, and meet infrastructure needs. Available Until Expended	Caltrans jurisdiction.
Transportation	Roads, Bridges & Major Projects	Nationally Significant Federal Lands and Tribal Projects	Department of Transportation	\$275,000,000	June 2022	Construction, reconstruction, and rehabilitation of nationally significant and tribal transportation projects. Available 4 Years	No identified Nationally significant project within unincorporated County jurisdiction.
Transportation	Roads, Bridges & Major Projects	Territorial Highway Program	Department of Transportation	\$239,505,000	Open: October 2022	Construction and improvement of a system of arterial and collector highways and necessary inter-island connectors. Available 4 Years	Funds are earmarked for Territories
Transportation	Roads, Bridges & Major Projects	Tribal Transportation Facility Bridge (Set-aside)	Department of Transportation	\$200,000,000	Summer 2022	Support projects to improve bridge (and culvert) condition, safety, efficiency, and reliability. Available 4 Years	Funds are for tribal governments.
Transportation	Roads, Bridges & Major Projects	Federal Lands Transportation Program (Funding for U.S. Fish & Wildlife)	Department of Transportation	\$180,000,000	Open: Spring 2022	Projects that improve transportation on roads, bridges, trails, transit systems, and others in the Federal estate. Available 4 Years	County has no jurisdiction on Federal Lands
Transportation	Roads, Bridges & Major Projects	Federal Lands Transportation Program (For other Federal Land Management Agencies)	Department of Transportation	\$153,637,750	Open: Spring 2022	Improve multimodal transportation on roads, bridges, trails, transit systems, and others in the Federal estate. Available 4 Years	County has no jurisdiction on Federal Lands
Transportation	Roads, Bridges & Major Projects	Federal Lands Transportation Program (Funding for U.S. Forest Service)	Department of Transportation	\$130,000,000	Open: Spring 2022	Improve multimodal transportation on roads, bridges, trails, and transit systems within the Federal estate. Available 4 Years	County has no jurisdiction on Federal Forest Lands
Transportation	Roads, Bridges & Major Projects	Accelerated Implementation and Deployment of Advanced Digital Construction Management Systems (Set-	Department of Transportation	\$100,000,000	Winter 2022	Promotion, implementation, support, and documentation of advanced digital construction management systems. Available Until Expended	Not aware of any advanced digital construction programs within County's jurisdiction.
Transportation	Roads, Bridges & Major Projects	Accelerated Implementation and Deployment of Pavement Technologies (Set-aside)	Department of Transportation	\$60,000,000	TBD	Advance R&D of technologies regarding highway pavements and materials Available Until Expended	Not within County's jurisdiction.
Transportation	Roads, Bridges & Major Projects	On-the-Job Training Program	Department of Transportation	\$50,000,000	2022-2023	Develop the capacity of the Nation's current and future highway construction industry workforce. Available Until Expended	Funding is for States.

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Transportation	Passenger and Freight Rail	Amtrak National Network Grants	Department of Transportation	\$15,750,000,000	May 2022	To eliminate Amtrak's backlog of deferred maintenance or rolling facilities, stations, and infrastructure on National Network. Available Until Expended	Funding is for Amtrak.
Transportation	Passenger and Freight Rail	Amtrak Northeast Corridor Grants	Department of Transportation	\$6,000,000,000	May 2022	To eliminate Amtrak's backlog of deferred maintenance or rolling facilities, stations, and infrastructure on National Network. Available Until Expended	Funding is for Amtrak.
Transportation	Public Transportation	Appalachian Development Public Transportation Assistance Program	Department of Transportation	\$137,437,828	Open: Fall 2021 Closed: Fall 2022	Provides funding within Appalachian region to support the provision of public transit services in rural areas. Available Year of Apportionment + 2 Years	Regional focused
Transportation	Public Transportation	Transit Cooperative Research Program	Department of Transportation	\$34,432,315	TBD	Develops near-term, practical solutions to problems facing public transportation. Available Until Expended	Funding is for National Academy of Sciences.
Transportation	Public Transportation	Public Transportation Technical Assistance and Workforce Development	Department of Transportation	\$27,545,852	TBD	Support workforce development and transit in enhancing safe, efficient, climate-friendly public transportation. Available Until Expended	Funding is for National nonprofit organizations and tribal organizations
Transportation	Airports and Federal Aviation Administration Facilities	Facilities and Equipment	Department of Transportation	\$5,000,000,000	TBD	Replacing FAA-owned terminal and route air traffic control facilities; workplace safety. Available Until Expended	Funding is for commercial vendors.
Transportation	Ports and Waterways	Corps of Engineers Operation and Maintenance	Department of Defense	\$4,000,000,000	Fiscal Year 2022	Funds for water resources projects operated and maintained by the U.S. Army Corps of Engineers. Available Until Expended	Funding is directly for the Department of Defense – Army Corps of Engineers
Transportation	Ports and Waterways	Real Property Activities	General Services Administration	\$3,418,008,000	TBD	Construction and acquisition, and repairs and alterations of land ports of entry. Available Until Expended	Funding is for General Services Admin, Public Buildings Service, Federal Buildings Fund which will contract out the design and construction services
Transportation	Ports and Waterways	Inland Waterways Projects	Department of Defense	\$2,500,000,000	Fiscal Year 2022	Funds the replacement and expansion of inland waterways commercial navigation projects. Available Until Expended	Funding is directly for the Department of Defense – Army Corps of Engineers
Transportation	Ports and Waterways	Port Infrastructure Development Program Grants	Department of Transportation	\$2,250,000,000	Open: February 14 2022 Closed: May 16 2022	Modernize and expand U.S. ports to remove bottlenecks, ensure competitiveness, resilience, and sustainability. Available 10 Years	Funding for Public and Private Ports/Port Authorities
Transportation	Ports and Waterways	Major Rehabilitation for Rivers and Harbors	Department of Defense	\$1,500,000,000	Fiscal Year 2022	Funds the construction of authorized coastal navigation projects at ports and harbors. Available Until Expended	Funding is directly for the Department of Defense – Army Corps of Engineers

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Transportation	Ports and Waterways	Construction of Ferry Boats and Ferry Terminal Facilities	Department of Transportation	\$912,000,000	Summer 2022	Provides funding for ferry services. Available Until Expended	Funding for eligible ferry operations
Transportation	Ports and Waterways	Mississippi River Tributaries	Department of Defense	\$808,000,000	Fiscal Year 2022	Reduce the risk of flood damage in the lower Mississippi River alluvial valley below Cape Girardeau, Missouri. Available Until Expended	Funding is directly for the Department of Defense – Army Corps of Engineers
Transportation	Ports and Waterways	Reduction of Truck Emissions at Port Facilities	Department of Transportation	\$400,000,000	Summer 2022	Reduce truck idling and emissions at ports, including through the advancement of port electrification. Available 4 Years	Program on hold - no recipients specified
Transportation	Ports and Waterways	Land Port of Entry Modernization	US Customs and Border Protection	\$330,000,000	February 13, 2022	For furniture, fixtures, and equipment for the land ports of entry modernized. Available 5 Years	Funding for Small Businesses, Businesses (other than small businesses)
Transportation	Ports and Waterways	Major Shore, Housing, Aids to Navigation, Survey and Design	Department of Homeland Security	\$158,000,000	February 13 2022	Procurement, construction, and improvements shore facility infrastructure and other housing projects. Available 5 Years	Funding is for the Coast Guard
Transportation	Ports and Waterways	Major Shore, Housing, Aids to Navigation, Survey and Design	Department of Homeland Security	\$131,500,000	February 13 2022	Procurement, construction, and improvements shore facility infrastructure and other housing projects. Available 5 Years	Funding is for the Coast Guard
Transportation	Ports and Waterways	Major Shore, Housing, Aids to Navigation, Survey and Design	Department of Homeland Security	\$120,000,000	February 13 2022	Procurement, construction, and improvements shore facility infrastructure and other housing projects. Available 5 Years	Funding is for the Coast Guard
Transportation	Ports and Waterways	Land Port of Entry Modernization	US Customs and Border Protection	\$100,000,000	February 13, 2022	For land port of entry construction, modernization, and sustainment. Available 5 Years	Funding for Small Businesses, Businesses (other than small businesses)
Transportation	Ports and Waterways	America's Marine Highway Program Grants	Department of Transportation	\$25,000,000	Open: March 1 2022 Closing: July 17 2022	Expand marine highway service options and facilitates integration into the current U.S. surface transportation system. Available 10 Years	Funding for Department of Transportation-designated Marine Highway projects
Transportation	Ports and Waterways	Major Shore, Housing, Aids to Navigation, Survey and Design	Department of Homeland Security	\$19,500,000	Open: Q4 2021 Closed: Q4 2022	Procurement, construction, and improvements shore facility infrastructure and other housing projects. Available 5 Years	Funding is for the Coast Guard
Transportation	Safety	Motor Carrier Safety Assistance Program	Department of Transportation	\$2,432,500,000	Year of Aware + 2 years	Reduce the number and severity of crashes and hazardous materials incidents involving commercial motor vehicles. Available Year of Award + 2 Years	Funding for State Lead Motor Carrier Safety Assistance Program Agencies

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Transportation	Safety	Motor Carrier Safety Operations Program	Department of Transportation	\$1,925,000,000	TBD	Provides the necessary resources, salaries and benefits for motor carrier safety personnel. Available 4 Years	Funding for Department of Transportation.
Transportation	Safety	Natural Gas Distribution Infrastructure Safety and Modernization Grants	Department of Transportation	\$1,000,000,000	Spring 2022	Repair, rehabilitate, or replace natural gas distribution pipeline systems to reduce incidents and fatalities Available 11 Year	Funding for Municipal or community-owned utilities (Not-for-Profit)
Transportation	Safety	High-Visibility Enforcement	Department of Transportation	\$201,600,000	April 2022 (Distracted Driving, July/Aug 2022 (Impaired Driving)	National traffic safety campaigns to reduce alcohol-impaired or drug-impaired driving and increase use of seatbelts. Available 4 Years	Funding is for businesses (other than small businesses) and nonprofits with 501(c)(3).
Transportation	Safety	National Driver Register	Department of Transportation	\$36,000,000	Fiscal Year 2022	Maintains the Problem Driver Pointer System, a database containing information on individuals offenses. Available 4 Years	Funding is for businesses (other than small businesses) and nonprofits with 501(c)(3).
Transportation	Safety	Commercial Motor Vehicle Enforcement Training & Support Program	Department of Transportation	\$25,000,000	February 2022	Train non-Feds who conduct commercial motor vehicle enforcement activities. Available Year of Award + 4 Year	Funding is for nonprofits.
Transportation	Electric Vehicles, Buses & Ferries	Electric or Low-Emitting Ferry Program	Department of Transportation	\$250,000,000	Open: Spring 2022	Support the transition of passenger ferries to low or zero emission technologies. TBD	Not applicable to County.
Transportation	Electric Vehicles, Buses & Ferries	Electric Drive Vehicle Battery Recycling And 2nd Life Apps	Department of Transportation	\$200,000,000	Open: May 2 2022 Due: July 19 2022	2nd life apps for EV batteries, processes for final recycling and disposal of the EV batteries.	Not applicable to County.
Transportation	Electric Vehicles, Buses & Ferries	Low or No Emission Vehicle Component Assessment Program	Department of Transportation	\$26,169,974	Spring 2022	Conduct testing, evaluation, and analysis of low or no emission components intended for bus transportation. TBD	Funds are only for qualified "institutions of higher education"
Transportation	Electric Vehicles, Buses & Ferries	Commercial Motor Vehicle Operators Grant Program	Department of Transportation	\$16,500,000	February 2022	Awards grants to a variety of educational institutions that provide commercial truck and bus driving training.	Funding for Non-profit organizations
Climate, Energy and the Environment	Clean Energy and Power	Power Marketing Administration Transmission Borrowing Authority	Department of Energy	\$10,000,000,000	Fiscal Year 2022 (i.e., September 30, 2022	Borrowing authority in financing of the construction, acquisition, and replacement of Columbia River Power System. Available Until 2028	Funding is for Entities That Assist in Implementing the Construction, Acquisition, and Replacement of The Federal Columbia River Power System

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Climate, Energy and the Environment	Clean Energy and Power	Civil Nuclear Credit Program	Department of Energy	\$6,000,000,000	May 2022	Credit allocations to prevent premature retirements of existing commercial nuclear reactors due to economic factors. Available 2022-2026	Funding is for Certified nuclear reactors
Climate, Energy and the Environment	Clean Energy and Power	Carbon Capture Demonstration Projects Program	Department of Energy	\$2,537,000,000	Q1 2023	To establish a carbon capture technology program for the development of 6 facilities. Available Until Expended	Not applicable to the County at this time. Funding is for Technology Developers, Industry, Utilities, Universities, National Laboratories, Engineering and Construction firms, State and Local Governments, Tribal, Environmental Groups, and Community Based
Climate, Energy and the Environment	Clean Energy and Power	Transmission Facilitation Program	Department of Energy	\$2,500,000,000	Q2 2022	More information about the program expected in early 2023. Available Until Expended	Recipients: Transmission Developers
Climate, Energy and the Environment	Clean Energy and Power	Advanced Reactor Demonstation Program	Department of Energy	\$2,477,000,000	2/21 & 5/21, Licensing TBD	To fund two large demonstrations of advanced nuclear reactors for electricity generation. Available Until Expended	Funding is for domestic Nuclear Industry Partners, National Laboratories, and Engineering and Construction firms.
Climate, Energy and the Environment	Clean Energy and Power	Advanced Energy Manufacturing and Recycling Grants	Department of Energy	\$750,000,000	3rd Quarter 2022	Grants for manufacturers' facilities to produce or recycle advanced energy products where coal plants have closed. Available Until Expended	Funding is for Manufacturing firms
Climate, Energy and the Environment	Clean Energy and Power	Critical Material Innovation Efficiency and Alternatives	Department of Energy	\$600,000,000	Q21 2023	To develop alternatives to critical materials. Available Until Expended	Funding is industry parnters.
Climate, Energy and the Environment	Clean Energy and Power	Maintaining and Enhancing Hydroelectric Incentives	Department of Energy	\$553,600,000	TBD	Incentive payments to operator of qualified hydroelectric facilities for capital improvements. Available Until Expended	Funding is for Non-Federal owners of qualified hydroelectric facilities
Climate, Energy and the Environment	Clean Energy and Power	Purchase of Power and Transmission Services	Department of Energy	\$500,000,000	Open	For the Western Area Power Administration to purchase power and transmission services. Available Until Expended	Funding is for Power Generation and Wheeling Providers
Climate, Energy and the Environment	Clean Energy and Power	Industrial Research and Assessment Center Implementation Grants	Department of Energy	\$400,000,000	4th Quarter 2022	Upgrades for qualified manufacturers. Available Until Expended	Funding is for Small- and Medium-Sized Manufacturers
Climate, Energy and the Environment	Clean Energy and Power	Earth Mapping Resources Initiative	Department of Interior	\$320,000,000	TBD	To accelerate the U.S. Geological Survey mapping mission. Available 3 years. Funding will be received over a period of four years, with \$8.668 million in 2022 and \$5 million in 2023-2025	Funding is for State Geological Surveys, Private Entities

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Climate, Energy and the Environment	Clean Energy and Power	Rare Earths Elements Demonstration Facility	Department of Energy	\$140,000,000	4th Quarter 2022	Demonstrate the feasibility of a full-scale integrated rare earth element extraction and separation facility and refinery. Available Until Expended	Funding is for Industry Partners
Climate, Energy and the Environment	Clean Energy and Power	Rare Earth Security Activities	Department of Energy	\$127,000,000	1st Quarter 2023	Research and development to improve the security of rare earth elements Available Until Expended	Funding is for Industry Partners
Climate, Energy and the Environment	Clean Energy and Power	Hydroelectric Production Incentives	Department of Energy	\$125,000,000	2022	Incentive payments for electric energy generated facility. Available Until Expended	Funding is for Non-Federal Owners of Qualified Hydroelectric Facilities
Climate, Energy and the Environment	Clean Energy and Power	Front End Engineering and Design Program Out Activities Under Carbon Capture Tech Program 962 EPA (Sec 40303)	Department of Energy	\$100,000,000	2nd Quarter 2022	Expands Carbon Capture Technology program to include a program for CO2 transport infrastructure. Available Until Expended	Funding is for Industry Partners
Climate, Energy and the Environment	Clean Energy and Power	Commercial Direct Air Capture Technology Prize Competition	Department of Energy	\$100,000,000	4th Quarter 2022	Support large-scale pilot projects and demonstration projects and test carbon capture technologies. Available Until Expended	Funding is for Industry Partners
Climate, Energy and the Environment	Clean Energy and Power	Section 243 Hydroelectric Efficiency Improvement Incentives	Department of Energy	\$75,000,000	Q4 2022	To incentivize upgrades to hydroelectric facilities to increase their efficiency. Available Until Expended	Funding is for Owners or operators of hydroelectric facilities at existing dams
Climate, Energy and the Environment	Clean Energy and Power	Critical Material Supply Chain Research Facility	Department of Energy	\$75,000,000	4th Quarter 2022	Support construction of a Critical Materials Supply Chain Research Facility. Available Until Expended	Funding is for Industry Partners
Climate, Energy and the Environment	Clean Energy and Power	Energy Efficiency Materials Pilot Program	Department of Energy	\$50,000,000	1st Quarter 2023	Provide grants to eligible States to train individuals to conduct energy audits or surveys of buildings. Available Until Expended	Funding is for Non-Profit Organizations
Climate, Energy and the Environment	Clean Energy and Power	Pre-Commercial Direct Air Capture Prize Competitions	Department of Energy	\$15,000,000	Q4 2022	Advance research, development, demonstration, and commercial application of carbon capture technologies. Available Until Expended	Funding is for Industry Partners
Climate, Energy and the Environment	Clean Energy and Power	Extended Product System Rebates	Department of Energy	\$10,000,000	2nd Quarter 2022	To provide rebates for qualified extended product systems (EV). Available Until Expended	Funding is for Purchaser of the qualified extended product system or manufacturer of commercial or industrial machinery or equipment that incorporates the qualified extended product system.

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Climate, Energy and the Environment	Clean Energy and Power	Energy Efficient Transformer Rebates	Department of Energy	\$10,000,000	2nd Quarter 2022	To provide rebates to industrial owners for the replacement of a qualified energy inefficient transformer. Available Until Expended	Funding is for Owners of industrial or manufacturing facilities, commercial buildings, or multifamily residential buildings, a utility, or an energy service company that purchase a qualified transformer to replace an energy-inefficient transformer
Climate, Energy and the Environment	Clean Energy and Power	Lithium Ion Recycling Prize	Department of Energy	\$10,000,000	Q2 2022	To provide a prize for recycling of lithium ion batteries and convene a task force on battery producer requirements. Available Until Expended	Prize winners allocated for Phase 3: San Diego Smartville is one of winners https://www.nrel.gov/news/program/2021/lithium-ion-battery-recycling-prize-drives-recovery-spent-batteries.html
Climate, Energy and the Environment	Clean Energy and Power	Career Skills Training	Department of Energy	\$10,000,000	1st Quarter 2023	Provide grants to pay the Federal share of career skills training program. Available Until Expended	Funding is for Non-Profit Partnerships
Climate, Energy and the Environment	Clean Energy and Power	Capital Improvement and Maintenance for Dams	Department of Agriculture	\$10,000,000	3rd Quarter 2022	Administers an extensive transportation network to sustain the health, diversity, and productivity of land Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Water	Indian Health Service Sanitation Facilities Construction Program	Department of Health and Human Services	\$3,500,000,000	TBD	Support American Indian tribes in construction of safe drinking water supply, sewage, and solid waste disposal facilities, and related support facilities. Available until Expended	County is not eligible for this funding.
Climate, Energy and the Environment	Water	Indian Water Rights Settlements	Department of the Interior	\$2,500,000,000	TBD	To satisfy Federal obligations under Indian water rights settlement enacted as of November 15, 2021. Available Until Expended	County is not eligible for this funding
Climate, Energy and the Environment	Water	Rural Water Projects	Department of the Interior	\$1,000,000,000	Open: January 2022 Closed: March 2022	Support the seven rural water projects that have been authorized by an Act of Congress before July 1, 2021. Second application period planned for October 2022.	County is not eligible for this funding
Climate, Energy and the Environment	Water	Geographic Programs - Great Lakes Restoration Initiative	Environmental Protection Agency	\$1,000,000,000	TBD	Restore and maintain the chemical, physical, and biological integrity of the Great Lakes Basin Ecosystem. Available Until Expended	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Dam Safety Program	Department of the Interior	\$500,000,000	Open: June 2021 Closed: June 2022	Ensure reclamation dams do not present unreasonable risk to people, property, and the environment. Available Until Expended	Dams are not within the County's jurisdiction

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Climate, Energy and the Environment	Water	Water Desalination Projects	Department of the Interior	\$250,000,000	Open: August 2021 Closed: August 2022	Water desalination projects support desalination of ocean or brackish water. Available Until Expended	Desalination opportunities are not within the County's jurisdiction.
Climate, Energy and the Environment	Water	Geographic Programs - Chesapeake Bay Program	Environmental Protection Agency	\$238,000,000	TBD	Reduce and prevent pollution and to improve the living resources in the Chesapeake Bay. Available Until Expended	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Safety of Dams, Water Sanitation, And Other Facilities	Department of the Interior	\$200,000,000	Open: April 2021 Closed: April 2022	Reduce the potential loss of human life and property damage caused by dam failure. Available Until Expended	Dams are not within the County's jurisdiction.
Climate, Energy and the Environment	Water	Geographic Programs - Long Island Sound	Environmental Protection Agency	\$106,000,000	TBD	Supports the implementation of a comprehensive plan to protect and restore water quality. Available Until Expended	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Geographic Programs - Puget Sound	Environmental Protection Agency	\$89,000,000	TBD	Maintain water quality in designated estuaries and protect indigenous population of wildlife.	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Geographic Programs - Columbia River Basin Restoration Program	Environmental Protection Agency	\$79,000,000	TBD	Reduce toxics, increase monitoring, and increase public education in the Lower Columbia River Basin. Available Until Expended	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Geographic Programs - Lake Pontchartrain Restoration Program	Environmental Protection Agency	\$53,000,000	TBD	Improve Lake Pontchartrain Basin water pollution, protection, education. Available Until Expended	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Geographic Programs - Gulf of Mexico	Environmental Protection Agency	\$53,000,000	TBD	Facilitate collaborative actions to protect, maintain, and restore the health and productivity of the Gulf of Mexico. Available Until Expended	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Central Utah Project	Department of the Interior	\$50,000,000	Open: March 2021 Closed: March 2022	Construction of the Utah Lake System Pipeline in South Utah County. Available Until Expended	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Tribal Irrigation and Power Systems	Department of the Interior	\$50,000,000	Open: May 2021 Closed: May 2022	The program addresses maintenance needs for authorized irrigation projects located on Indian reservation. Available Until Expended	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Underground Injection Control Grants: Class VI wells	Environmental Protection Agency	\$50,000,000	TBD	Oversee underground injection activities to prevent contamination of drinking water from fluid injection practices. Available Until Expended	County projects do not align with the purpose of this grant.
Climate, Energy and the Environment	Water	Geographic Programs - Lake Champlain	Environmental Protection Agency	\$40,000,000	TBD	Help Lake Champlain Basins water quality, fisheries, wetlands, wildlife, recreation, and cultural resources. Available Until Expended	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Water Resources Development Act Data Acquisition	Department of Commerce	\$25,000,000	Open: Q3 2022	Establishment of the Soil Moisture and Snowpack Monitoring Pilot Program. Available 2 Year Funding	Funds are earmarked for other regions

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Climate, Energy and the Environment	Water	Geographic Programs - San Francisco Bay Water Quality Improvement Fund	Environmental Protection Agency	\$24,000,000	TBD	Funded projects will reduce polluted runoff, restore impaired waters, and enhance aquatic habitat. Available Until Expended	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Geographic Programs - South Florida Geographic Initiatives Program	Environmental Protection Agency	\$16,000,000	TBD	Provides competitive grants to address the immediate and emerging ecological threats to water quality Available Until Expended.	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Geographic Programs - Southeast New England Coastal Watershed Restoration Program	Environmental Protection Agency	\$15,000,000	TBD	Protect and restore water quality, ecological health, and diverse habitats by sharing knowledge. Available Until Expended	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Geographic Programs - Northwest Forest	Environmental Protection Agency	\$4,000,000	TBD	Addresses water quality impairments. Available Until Expended	Funds are earmarked for other regions
Climate, Energy and the Environment	Water	Soil Moisture and Snowpack Pilot Program	Department of Commerce	\$1,000,000	Open: Q3 2022	The study of the soil moisture and snowpack monitoring network in the Upper Missouri River Basin. Available 2 year Funding	Funds are earmarked for other regions
Climate, Energy and the Environment	Resilience	Coastal Storm Risk Management, Hurricane, and Storm Damage Reduction Projects	Army Corps of Engineers	\$2,550,000,000	Throughout Fiscal Year 2022	Reduce the risk of damage in a coastal storm, (\$200 million of which will be for shore protection projects). Available Until Expended	Funding is for Department of Defense – Army Corps of Engineers
Climate, Energy and the Environment	Resilience	Inland Flood Risk Management FRM Projects	Army Corps of Engineers	\$2,500,000,000	Throughout Fiscal Year 2022	Reduce the risk of damage in a flood, including \$750 million for multi-purpose projects. Available Until Expended	Funding is for Department of Defense – Army Corps of Engineers
Climate, Energy and the Environment	Resilience	Building Resilient Infrastructure and Communities (Robert T Stafford Act Section 203(i)) FEMA	Department of Homeland Security - Federal Emergency Management Agency	\$1,000,000,000	Open: Sept. 30, 2022	Federal funds available for hazard mitigation activities. Available for the next 5 fiscal years in tranches of \$200 million per fiscal year.	Programs directed at State and Tribe Governments; Local governments, including cities, townships, counties, special district governments, state agencies are considered sub applicants and must submit sub applications to their state applicant agency.
Climate, Energy and the Environment	Resilience	Reforestation Trust Fund (Replant Act)	Department of Agriculture	\$528,000,000	2nd Quarter 2022	Reduce the backlog in reforestation and timber stand improvement work. Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Hazardous Fuels Management	Department of Agriculture	\$514,000,000	3rd Quarter 2022	Treating areas with high potential for damaging wildfires within the wildland-urban interface. Available Until Expended	Funding is for Federal Agencies, State agencies, Tribal Governments, And Businesses

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Climate, Energy and the Environment	Resilience	Federal Wildland Firefighter Salaries and Expenses	Department of Agriculture	\$480,000,000	3rd Quarter 2022	Create a more permanent workforce by converting firefighters to fire managers. Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Continuing Authorities Program (CAP)	Army Corps of Engineers	\$465,000,000	Throughout Fiscal Year 2022	Small Army Corps projects, including \$115 million for restoring fish and wildlife passage.	Funding is for Department of Defense – Army Corps of Engineers
Climate, Energy and the Environment	Resilience	Hazardous Fuels (Mechanical Thinning and Timber harveting. Precommercial Thinning in Young Growth)	Department of Agriculture	\$400,000,000	3rd Quarter 2022	Treating areas with high potential for damaging wildfires within the wildland-urban interface. Available Until Expended	Funding is for Federal Agencies, State agencies, Tribal Governments, And Businesses
Climate, Energy and the Environment	Resilience	Colorado River Drought Contingency Plan	Department of Interior	\$300,000,000	Open: July 2021 Closed: July 2022	Reduce the risk of Lake Mead and Lake Powell reaching critically low elevations. Available Until Expended	Funding for Bureau of Reclamation
Climate, Energy and the Environment	Resilience	Flood Control and Coastal Emergencies	Army Corps of Engineers	\$251,000,000	TBD	Preparedness measures during a flood, hurricane, or other natural disaster. Available Until Expended	Funding is for Department of Defense – Army Corps of Engineers
Climate, Energy and the Environment	Resilience	Prescribed Fires	Department of Agriculture	\$250,000,000	3rd Quarter 2022	Treating areas with high potential for damaging wildfires within the wildland-urban interface. Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Fuel Breaks	Department of Agriculture	\$250,000,000	3rd Quarter 2022	Treating areas with high potential for damaging wildfires within the wildland-urban interface. Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Capital Improvement And Maintenance - Legacy Road And Trail Remediation Program	Department of Agriculture	\$250,000,000	3rd Quarter 2022	Decommissioning and repairing roads and trails to mitigate impacts to ecosystems and watersheds. Available each annual tranche for 4 year	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Water-Related Environmental Infrastructure Assistance	Army Corps of Engineers	\$200,000,000	Throughout Fiscal Year 2022	Provides safe water supply, waste disposal, and pollution control to cities and towns to protect human health and safeguard the environment. Available Until Expended	Funding is for Department of Defense – Army Corps of Engineers
Climate, Energy and the Environment	Resilience	Ecosystem - Klamath Basin	Department of Interior	\$162,000,000	Closed May 202	Habitat restoration and water right acquisition to help restore the Klamath ecosystem.	Funding is for Klamath Basin.
Climate, Energy and the Environment	Resilience	Regulatory Program	Army Corps of Engineers	\$160,000,000	TBD	Laws and regulations (permits) pertaining to activities affecting U.S. waters. Available 2022- 2026	Funding is for Department of Defense – Army Corps of Engineers
Climate, Energy and the Environment	Resilience	Ecological Health Restoration Contracts	Department of Agriculture	\$150,000,000	3rd Quarter 2022	Dispose of National Forest System timber and non-timber forest products harvested. Available Until Expended	Funding is for the Forest Service

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Climate, Energy and the Environment	Resilience	Removal of Vegetation on Federal / Non Federal Land	Department of Agriculture	\$100,000,000	3rd Quarter 2022	Modification and removal of flammable vegetation and using materials from treatments to produce biochar. Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Collaborative Forest Landscape Restoration program	Department of Agriculture	\$100,000,000	3rd Quarter 2022	Enhance forest and watershed health, reduce risk from uncharacteristic wildfire, and provide benefits to rural economies. Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Post Fire Restoration	Department of Agriculture	\$100,000,000	3rd Quarter 2022	The Burned Area Recovery program will provide restoration activities on wildfire affected areas. Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Restore Native Vegetation for Biochar and Innovative Wood Products	Department of Agriculture	\$100,000,000	3rd Quarter 2022	Improving the health of forest, controlling invasive species, sustaining soil productivity and water quality, reducing the risk of flooding.	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Capital Improvement and Maintenance Construction and Maintenance of Roads for Restoration Projects That Reduce Wildfire Risk	Department of Agriculture	\$100,000,000	3rd Quarter 2022	Administers extensive transportation network to sustain national forest lands. Each annual tranche has 4 year availability	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Revegetation Effort to Impelment National Seed Strategy	Department of Agriculture	\$70,000,000	3rd Quarter 2022	In partnership with the Plant Conservation Alliance and the U.S. Department of Agriculture, guides ecological restoration across landscapes. Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Preplanning Fire Response Workshops and Workforce Training	Department of Agriculture	\$50,000,000	3rd Quarter 2022	The Forest Service will conduct pre-planning fire response workshops that develop Potential Operational Delineations. Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Energy Sector Operational Support for Cyber Resilience Program	Department of Energy	\$50,000,000	Open	Support a program to build energy sector operational support for cyber resilience. Available Until Expended	Funding is for Small Electric Utilities, National Labs
Climate, Energy and the Environment	Resilience	Colorado River Endangered Species Recovery and Conservation Programs	Department of Interior	\$50,000,000	TBD	Support the Upper Colorado River Endangered Fish, San Juan River Basin Recovery Implementation Programs, and the Glen Canyon Dam Adaptive Management Program. Available Until Expended	Funding for the Bureau of Reclamation
Climate, Energy and the Environment	Resilience	Flood Plain Management Services	Army Corps of Engineers	\$45,000,000	TBD	Provides site-specific flood and flood plain data and assistance to States, Tribes, and local communities. Available Until Expended	Funding is for Department of Defense – Army Corps of Engineers

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Climate, Energy and the Environment	Resilience	To Complete or Initiate and Complete Studies that Were Authorized Prior to the Date of This Act	Army Corps of Engineers	\$45,000,000	Open: May 2021 Closed: May 2022	Determine the engineering, economic feasibility of potential solutions to water and related land resources problems. Available Until Expended	Funding is for Department of Defense – Army Corps of Engineers
Climate, Energy and the Environment	Resilience	Planning Assistance to States	Army Corps of Engineers	\$30,000,000	TBD	The Army Corps provides assistance to address water resource issues and related work. Available Until Expended	Funding is for Department of Defense – Army Corps of Engineers
Climate, Energy and the Environment	Resilience	Section 118 of Water Resources Development Act of 2020	Army Corps of Engineers	\$30,000,000	Throughout Fiscal Year 2022	Pilot program for flood/storm risk management and reduction projects for rural and disadvantaged communities. Available Until Expended	Funding is for Department of Defense – Army Corps of Engineers
Climate, Energy and the Environment	Resilience	Ecosystem - Delaware River Basin Conservation Act	Department of Interior	\$26,000,000	Open: September 2021 Closed: September 2022	Grants for habitat conservation to states and organizations in the Delaware River Basin. Available Until Expended	Funding is for the Delaware River Basin
Climate, Energy and the Environment	Resilience	Southwest Ecological Restoration Institute	Department of Agriculture	\$20,000,000	3rd Quarter 2022	Southwest Ecological Restoration Institute will compile and display data for fuels treatments and wildfire. Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Ecosystem - Lake Tahoe	Department of Interior	\$17,000,000	Open: July 2021 Closed: July 2022	Lake Tahoe Aquatic Invasive Species Management Plan to prevent spread of aquatic invasive species. Available Until Expended	Funding is for Lake Tahoe
Climate, Energy and the Environment	Resilience	Agreement with National Oceanic and Atmospheric Administration for	Department of Agriculture	\$10,000,000	3rd Quarter 2022	Defer to NOAA. Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Wildfire Detection and Monitoring Equipment	Department of Agriculture	\$5,000,000	3rd Quarter 2022	Place wildfire detection and real-time monitoring equipment in wildfire prone areas to enhance safety. Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Resilience	Develop and Publish Every 5 Years A Map Depicting At Risk Communities, Including Tribal Communities	Department of Agriculture	\$1,200,000	TBD	Develop and publish a map depicting at-risk communities every 5 years. Available Until Expended	Funding is for the Forest Service
Climate, Energy and the Environment	Environmental Remediation	Funding to Support Orphan Well Plugging	Department of Energy	\$30,000,000	TBD	Funding to support the Department of Interior's effort to establish a program to plug, remediate, and reclaim orphaned wells located on Federal land.	Funding for Industry Partners
Broadband	Broadband	Denali Commission Broadband Funding	Denali Commission	\$250,000	March 2022	Program to assist rural Alaskan communities in planning and build out of modern broadband capabilities,	Funding is for Alaskan communities..
Other Programs	Regional Commission Programs	Appalachian Regional Commission Funds	Appalachian Regional Commission	\$800,000,000	Open: May 2022 Closed: May 23 2023	Help bring the 13-state Appalachian Region into economic parity with the Nation. Available Until Expended	Funds are earmarked for other regions

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Other Programs	Regional Commission Programs	Appalachian Area Development: Allocations to ARC States	Appalachian Regional Commission	\$100,000,000	Open: February 22 2022	Help bring the 13-state Appalachian Region into economic parity with the Nation. Available Until Expended	Funds are earmarked for other regions
Other Programs	Regional Commission Programs	Appalachian Area Development: Regional Multistate Initiative	Appalachian Regional Commission	\$80,000,000	Open: May 22 2022	Support for multistate regional economic and community development projects in the Appalachian Regional Commission. Available Until Expended	Funds are earmarked for other regions
Other Programs	Regional Commission Programs	Appalachian Area Development: Community Capacity Initiative	Appalachian Regional Commission	\$10,000,000	Open: May 22 2022	Enable communities to deploy the substantially increased funding opportunities and capacity opportunities. Available Until Expended	Funds are earmarked for other regions
Other Programs	Regional Commission Programs	Delta Regional Authority	Delta Regional Authority	\$150,000,000	Open June 2022	Focus on public infrastructure improvements, workforce development, and business development in Delta. Available Until Expended	Funds are earmarked for other regions
Other Programs	Regional Commission Programs	Denali Commission Funding	Denali Commission	\$67,750,000	Open: April 11 2022 Closing: May 13 2022	Job training and other economic development. Available Until Expended	Funds are earmarked for other regions
Other Programs	Regional Commission Programs	Denali Commission: Village Infrastructure Protection	Denali Commission	\$5,000,000	Closed: June 2022	Construction, planning and workforce development. TBD	Funds are earmarked for other regions
Other Programs	Regional Commission Programs	Denali Commission: Workforce Development	Denali Commission	\$2,000,000	Open: March 22 2022	Job training and other economic development. Available Until Expended	Funds are earmarked for other regions
Other Programs	Regional Commission Programs	Northern Border Regional Commission	Northern Border Regional Commission	\$150,000,000	Fund released November 2022	Alleviate economic distress and position the region for economic growth. Available Until Expended	Funds are earmarked for other regions
Other Programs	Regional Commission Programs	Southeast Crescent Regional Commission Funding	Southeast Crescent Regional Commission	\$5,000,000	TBD	Alleviate economic distress and position the region for economic growth. Available Until Expended	Funds are earmarked for other regions
Other Programs	Department of Commerce, Agriculture & Energy programs	Landscape Scale Restoration Water Quality and Fish Passage	Department of Agriculture	\$80,000,000	Open: May 2022	Improves fish and wildlife habitat connectivity and helps to recover Endangered Species Act-listed or Endangered Species Act candidate species. Available Until Expended	Funding will go to the Forest Service.
Other Programs	Department of Commerce, Agriculture & Energy programs	Recreation Sites	Department of Agriculture	\$55,000,000	Open: Q3 2022	Provides recreational access to over 193 million acres on national forest lands. Available Until Expended	Funding will go to the Forest Service.

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Other Programs	Department of Commerce, Agriculture & Energy programs	Marine Debris	Department of Commerce	\$50,000,000	Open: Q3 2022	Increasing capacity and expertise through education to eliminate barriers to marine debris prevention and removal. Available 2 years - Grant funding	Not applicable to the County at this time.
Other Programs	Department of Commerce, Agriculture & Energy programs	Consultations and Permitting	Department of Commerce	\$20,000,000	Open: Q3 2022	Capacity for consultations and incidental harassment authorizations for infrastructure projects. Available 2 Years	Internal to the National Oceanic and Atmospheric Administration.
Other Programs	Department of Commerce, Agriculture & Energy programs	Manufacturing Leadership (Sec 40534)	Department of Energy	\$50,000,000	Open: Q3 2022	Funding to states to invest in smart manufacturing technologies. Available Until Expended	Funding is for States
Other Programs	Department of Health & Human Services and Interior Programs	Low Income Home Energy Assistance Program	Department of Health & Human Services	\$500,000,000	Funds Released January 2022	Federally funded assistance with home energy bills, energy crises, weatherization and energy-related minor home repairs costs. Available 2022 - 2026	Funding is for States, Territories, Tribal Governments. Funding mainly for home upgrades. Will share with HHS-HCDS, who does this type of work.
Other Programs	Department of Health & Human Services and Interior Programs	Good Neighbor Agreements with States and Tribes	Department of the Interior	\$40,000,000	Open: May 2021 Closed: May 2022	Restoration projects on Federal lands pursuant to "Good Neighbor Agreements". Available until expended for total amount across entire Program (\$905 million)	Funding is for States, Territories, Tribal Governments.
Other Programs	Department of Transportation Programs	Bureau of Transportation Statistics	Department of Transportation	\$132,500,000	TBD	Data collection, analysis, visualization, and dissemination to improve operational efficiency. Available Until Expended	Funding is for the Bureau of Transportation Statistics
Other Programs	Department of Transportation Programs	Training & Education	Department of Transportation	\$127,500,000	TBD	Development and delivery of technical assistance, training, professional development, and education programs. Available Until Expended	Funding is for Federal Highway Administration Research, Technology, and Education Program
Other Programs	Department of Transportation Programs	Technology & Innovation Deployment Program	Department of Transportation	\$90,000,000	TBD	Advance research products into proven technologies and demonstrated practices; identify the market forces. Available Until Expended	Funding is for Federal Highway Administration Research, Technology, and Education Program
Other Programs	Environmental Protection Agency Programs	Gulf Hypoxia Action Plan	Environmental Protection Agency	\$60,000,000	Q2 2022	Reducing nutrient-loading to the Gulf of Mexico. Available Until Expended	Funds are earmarked for other regions

*As new information comes out the County will reassess for eligibility. Updated 6/24/22

Grant Programs within the Bipartisan Infrastructure Law (BIL) the County is Not Currently Pursuing*

Sector	Subsector	Program Name	Agency Name	Funding Amount	Guideline Release Date	About Grant Program	Reason County is not pursuing at this time.
Other Programs	Solid Waste Management and Recycling	Battery Recycling Best Practices	Environmental Protection Agency	\$10,000,000	Open: Q2 2022	Promote the safe handling of used batteries and improve battery recycling programs. Available Fiscal Year 2022 until September 30, 2026	Funding is for Environmental Protection Agency

*As new information comes out the County will reassess for eligibility. Updated 6/24/22
