

# LIVE WELL SAN DIEGO FOOD SYSTEM INITIATIVE

## SUSTAINABLE ENVIRONMENTS & THRIVING

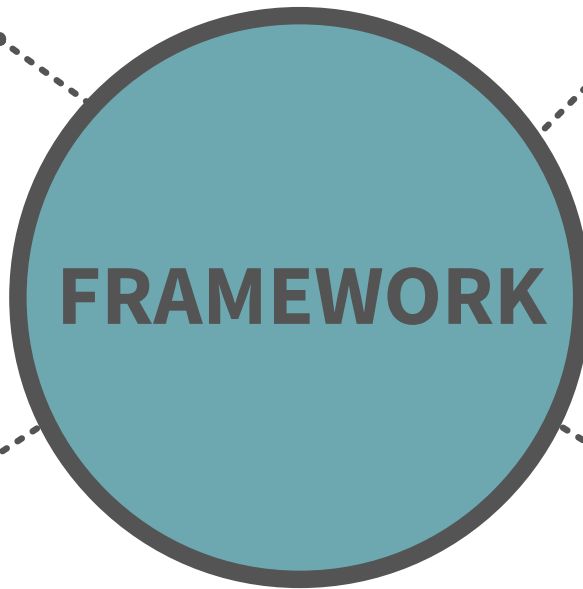

The region's environment and economy support a robust, diverse, and sustainable food system.

## OPERATIONAL EXCELLENCE

The County improves the food system through operational excellence and regional leadership.

## BUILDING BETTER HEALTH

All residents have access to affordable, local, and healthy food.

## LIVING SAFELY

The region's food system is resilient and safe.

**VISION: A robust and resilient local food system that builds healthy communities, supports the economy, and enhances the environment.**
