

RESOLUTION 2021-014

RESOLUTION SUPPORTING THE COUNTY OF SAN DIEGO DEVELOPING A FRAMEWORK FOR A REGIONAL CARBON SUSTAINABILITY PLAN IN PARTNERSHIP WITH THE UNIVERSITY OF CALIFORNIA SAN DIEGO SCHOOL OF GLOBAL POLICY AND STRATEGY

WHEREAS, the District was created by the California Legislature in 1962 pursuant to the Harbors and Navigation Code Appendix 1, § 1 et seq. (“Port Act”); and

WHEREAS, Section 35 of the Port Act allows the Board of Port Commissioners (BPC) to do all acts necessary and convenient for the exercise of its powers; and

WHEREAS, Section 21 of the Port Act allows the BPC to pass all necessary resolutions for the regulation of the District; and

WHEREAS, the District has a history of collaborating with member cities, agencies, universities, industry, non-governmental organizations, and communities to develop policies and programs to reduce greenhouse gas emissions and advance carbon sequestration to address current and future climate related challenges; and

WHEREAS, the District is directly working to assess, plan, mitigate, and ultimately reduce greenhouse gas emissions through its adopted Climate Action Plan and other complementary efforts including development of a District Maritime Clean Air Strategy and supporting completion of the San Diego Air Pollution Control District’s Community Emissions Reduction Plan, which is being prepared pursuant to Assembly Bill 617 and the California Air Resources Board’s Community Air Protection Program with an emphasis on implementing zero emission solutions, freight electrification and associated public benefits; and

WHEREAS, the District is proactively working with partners to conserve and expand coastal and marine habitats, including salt marshes, eel grasses, living shorelines, oyster reefs, and restorative aquaculture that provide both ecological and carbon sequestration benefits at multiple locations on tidelands and submerged lands; and

WHEREAS, the District’s work to conserve and expand coastal and marine habitats complements conservation and management of terrestrial carbon sinks in the region, such as forests, natural and agricultural lands and also creates more climate resilient environments that will help communities and the environment

around San Diego Bay adapt to changing climate-related conditions including sea level rise and coastal flooding; and

WHEREAS, on January 27, 2021, the County of San Diego (County) Board of Supervisors directed the Chief Administrative Officer to develop a framework for a regional carbon sustainability plan in partnership with the University of California San Diego School of Global Policy and Strategy (UC San Diego GPS), which shall include strategies and initiatives to achieve carbon neutrality in the region by 2035; and

WHEREAS, regional collaboration is essential to develop policies and programs to achieve a balance between anthropogenically generated greenhouse gas emissions (primarily carbon dioxide) with the removal of emissions via carbon sinks or through the elimination of emissions by certain sources altogether; and

WHEREAS, a regional framework for a carbon sustainability plan will support alignment of multiple climate action plans created by agencies throughout the region and may serve to advance interconnected strategies that collectively help the region achieve its climate action planning goals: and

WHEREAS, the District and County have a history of collaborating and building regional support on land use, transportation, and environmental issues for the betterment of the region; and

WHEREAS, in addition to rapidly reducing greenhouse gas emissions, climate strategies, initiatives, and investments to be included the County's regional carbon sustainability plan will have a high potential to provide substantial co-benefits, including improving public health and quality of life in the region, reducing the burden of transportation costs on working families, increasing the dynamism of our regional economy, and providing San Diegans with thousands of well-paying jobs building the infrastructure that will propel our region into the future.

NOW THEREFORE, BE IT RESOLVED, that the Board of Port Commissioners of the San Diego Unified Port District (District) hereby supports development of a framework for regional carbon sustainability plan and directs the Executive Director and/or his designated representative(s) to collaborate with the County and other entities on the framework, as a means for the San Diego region to combat global climate change.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, San Diego Unified Port District (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact San Diego Unified Port District:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: rsanagus@portofsandiego.org

To advise San Diego Unified Port District of your new e-mail address

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at rsanagus@portofsandiego.org and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc. to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in the DocuSign system.

To request paper copies from San Diego Unified Port District

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to rsanagus@portofsandiego.org and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with San Diego Unified Port District

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to rsanagus@portofsandiego.org and in the body of such request you must state your e-mail, full name, US Postal Address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..
