The County includes 18 cities and a large unincorporated area.

In the unincorporated area, County government does what a city government would typically do, like provide public safety and maintain parks, libraries and roads.

County government also does things for the entire region, like making sure people have access to food, housing and health care.

May 19-20 CAO Recommended Budget Presentations
05/23: District 3 06/02: District 1
