NOTICE OF NON-GAMING LAND ACQUISITION APPLICATION

Pursuant to the Code of Federal Regulations, Title 25, INDIANS, 151.11 Off-Reservation, notice is given of the application filed by the Pala Band of Mission Indians (Tribe) to have real property accepted "in trust" for said applicant by the United States of America. The determination whether to acquire this property "in trust" will be made in the exercise of discretionary authority which is vested in the Secretary of the Interior, or her authorized representative, U.S. Department of the Interior. To assist us in the exercise of that discretion, we invite your comments on the proposed acquisition. In order for the Secretary to assess the impact of the removal of the subject property from the tax rolls, and if applicable to your organization, we also request that you provide the following information:

- (1) If known, the annual amount of property taxes currently levied on the subject property allocated to your organization;
- (2) Any special assessments, and amounts thereof, that are currently assessed against the property in support of your organization;
- (3) Any governmental services that are currently provided to the property by your organization; and
- (4) If subject to zoning, how the intended use is consistent, or inconsistent, with the zoning.

We provide the following information regarding this application:

Applicant:

Pala Band of Mission Indians

Legal Land Description/Site Location:

See "Exhibit A" for legal description

Project Description/Proposed Land Use:

The subject property consists of four parcels of land, containing 92.44 acres, more or less, commonly referred to as the Gateway Property and Assessor's Parcel Numbers: 125-063-02; 125-063-09; and 125-100-10. (The fourth parcel referred to as 125-063-10 was created by the County to define a lease agreement for cell-phone towers. It is of de minimis size). Currently, the property is developed with a concrete pond and irrigation system, with some associated outbuildings and facilities related to

agricultural activity. The subject property is not contiguous to the Pala Reservation. The Tribe plans to use the property for a cultural center, traditional village site, and associated features. A portion of the site will remain as an orchard or undeveloped.

As indicated above, the purpose for seeking your comments regarding the proposed trust land acquisition is to obtain sufficient data that would enable an analysis of the potential impact on local/state government, which may result from the removal of the subject property from the tax roll and local jurisdiction.

This notice does not constitute, or replace, a notice that might be issued for the purpose of compliance with the National Environmental Policy Act (NEPA) of 1969.

Your written comments should be addressed to the Bureau of Indian Affairs office listed at the top of this notice. Any comments received within thirty days of your receipt of this notice will be considered and made a part of our record. You may be granted one thirty day extension of time to furnish comments, provided you submit a written justification requesting such an extension within thirty days of receipt of this letter. Additionally, copies of all comments will be provided to the applicant for a response. You will be notified of the decision to approve or deny the application.

If any party receiving the enclosed notice is aware of additional governmental entities that may be affected by the subject acquisition, please forward a copy to said party.

A copy of the application, excluding any documentation exempted under the Freedom of Information Act (FOIA), is available for review at the above address. A request to make an appointment to review the application, or questions regarding the application, may be directed to the Pacific Regional Office attention: Lorrae Russell, Realty Specialist, (916) 978-6071.

§ 150.11

Titles and Records Offices are designated as Certifying Officers for this purpose. When a copy or reproduction of a title document is authenticated by the official seal and certified by a Manager, Land Titles and Records Office, the copy or reproduction shall be admitted into evidence the same as the original from which it was made. The fees for furnishing such certified copies are established by a uniform fee schedule applicable to all constituent units of the Department of the Interior and published in 43 CFR part 2, appendix A.

§ 150.11 Disclosure of land records, title documents, and title reports.

(a) The usefulness of a Land Titles and Records Office depends in large measure on the ability of the public to consult the records contained therein. It is therefore, the policy of the Bureau of Indian Affairs to allow access to land records and title documents unless such access would violate the Privacy Act, 5 U.S.C. 552a or other law restricting access to such records, or there are strong policy grounds for denying access where such access is not required by the Freedom of Information Act, 5 U.S.C. 552. It shall be the policy of the Bureau of Indian Affairs that, unless specifically authorized, monetary considerations will not be disclosed insofar as leases of tribal land are concerned.

(b) Before disclosing information concerning any living individual, the Manager, Land Titles and Records Office, shall consult 5 U.S.C. 552a(b) and the notice of routine users then in effect to determine whether the information may be released without the written consent of the person to whom it pertains.

[45 FR 62036, Sept. 18, 1980, as amended at 60 FR 32879, June 23, 1995]

§ 151.3 Land acquisition policy.

Land not held in trust or restricted status may only be acquired for an individual Indian or a tribe in trust status when such acquisition is authorized by an act of Congress. No acquisition of land in trust status, including a transfer of land already held in trust or restricted status, shall be valid unless the acquisition is approved by the Secretary.

(a) Subject to the provisions contained in the acts of Congress which authorize land acquisitions, land may be acquired for a tribe in trust status:

(1) When the property is located within the exterior boundaries of the tribe's reservation or adjacent thereto, or within a tribal consolidation area; or

(2) When the tribe already owns an interest in the land; or

(3) When the Secretary determines that the acquisition of the land is necessary to facilitate tribal self-determination, economic development, or Indian housing.

(b) Subject to the provisions contained in the acts of Congress which authorize land acquisitions or holding land in trust or restricted status, land may be acquired for an individual Indian in trust status:

§ 151.4

(1) When the land is located within the exterior boundaries of an Indian reservation, or adjacent thereto; or

§ 151.4 Acquisitions in trust of lands owned in fee by an Indian.

Unrestricted land owned by an individual Indian or a tribe may be conveyed into trust status, including a conveyance to trust for the owner, subject to the provisions of this part.

§ 151.5 Trust acquisitions in Oklahoma under section 5 of the I.R.A.

In addition to acquisitions for tribes which did not reject the provisions of the Indian Reorganization Act and their members, land may be acquired in trust status for an individual Indian or a tribe in the State of Oklahoma under section 5 of the Act of June 18, 1934 (48 Stat. 985; 25 U.S.C. 465), if such acquisition comes within the terms of this part. This authority is in addition to all other statutory authority for such an acquisition.

§ 151.6 Exchanges.

An individual Indian or tribe may acquire land in trust status by exchange if the acquisition comes within the terms of this part. The disposal aspects of an exchange are governed by part 152 of this title.

§ 151.7 Acquisition of fractional interests.

Acquisition of a fractional land interest by an individual Indian or a tribe in trust status can be approved by the Secretary only if:

(a) The buyer already owns a fractional interest in the same parcel of land; or

(b) The interest being acquired by the buyer is in fee status; or

(c) The buyer offers to purchase the remaining undivided trust or restricted interests in the parcel at not less than their fair market value; or

(d) There is a specific law which grants to the particular buyer the right to purchase an undivided interest or interests in trust or restricted land without offering to purchase all of such interests; or

25 CFR Ch. I (4–1–20 Edition)

(e) The owner of a majority of the remaining trust or restricted interests in the parcel consent in writing to the acquisition by the buyer.

§ 151.8 Tribal consent for nonmember acquisitions.

An individual Indian or tribe may acquire land in trust status on a reservation other than its own only when the governing body of the tribe having such jurisdiction over such reservation consents in writing to the acquisition; provided, that such consent shall not be required if the individual Indian or the tribe already owns an undivided trust or restricted interest in the parcel of land to be acquired.

§ 151.9 Requests for approval of acquisitions.

An individual Indian or tribe desiring to acquire land in trust status shall file a written request for approval of such acquisition with the Secretary. The request need not be in any special form but shall set out the identity of the parties, a description of the land to be acquired, and other information which would show that the acquisition comes within the terms of this part.

§ 151.10 On-reservation acquisitions.

Upon receipt of a written request to have lands taken in trust, the Secretary will notify the state and local governments having regulatory jurisdiction over the land to be acquired, unless the acquisition is mandated by legislation. The notice will inform the state or local government that each will be given 30 days in which to provide written comments as to the acquisition's potential impacts on regulatory jurisdiction, real property taxes and special assessments. If the state or local government responds within a 30-day period, a copy of the comments will be provided to the applicant, who will be given a reasonable time in which to reply and/or request that the Secretary issue a decision. The Secretary will consider the following criteria in evaluating requests for the acquisition of land in trust status when the land is located within or contiguous to an Indian reservation, and the acquisition is not mandated:

[81 FR 30177, May 16, 2016]
