1. Creation of two Standing Subcommittees of the Sponsor Group. At the May 6 meeting of the Sponsor Group, the Chair will be announcing the formation of two standing committees including nominations of SG members and members of the public who will serve, and will seek concurrence of the Sponsor Group for these committees. One will have to do with water matters as they impact land use and planning and the second will have to do with tracking the many general plan changes, programs, zoning and ordinance changes coming through the County of San Diego and advising the Chair/Sponsor Group on which ones need a public presentation and closer look by the SG. Chair will be accepting requests from interested SG members and members of the public, and nominations by the Chair will be announced and will need concurrence of a majority vote at the May 6th SG meeting to affirm appointments. **NOTE: Per Policy I-1 Subcommittee Chairs must be members of the SG; no more than 50% of SG members can serve on a subcommittee; all members of a subcommittee may vote on subcommittee matters, but only SG members may vote at SG meetings; Chair will provide a written outline of purpose and scope of activities of each subcommittee; each subcommittee Chair will be responsible for keeping records of actions and reports of the subcommittee and shall submit these actions and reports to the SG on a regular basis; a subcommittee Chair shall not act as a spokesperson of the SG unless authorized to do so in writing by the Chair or by the SG as shown in the official minutes; Standing committees have fixed meeting schedules, are ongoing, have a continuing subject matter, are open to the public, and are noticed in the newspaper where possible (library and email); meetings are subject to Policy I-1 and the Brown Act.**
