D. ACTION ITEMS:

1. Agenda Item (AS REQUIRED BY THE COUNTY, SEE agenda packet for items received 10/5/21—items B1 – B5):

**Continuance of Teleconferencing Meeting Option Pursuant to Government Code Section 54953(e)
Motion to be considered, if made:**

Pursuant to Government Code section 54953(e)(3), a motion to find the legislative body has reconsidered the circumstances of the State of Emergency and state and local officials continue to recommend measures to promote social distancing.

E. NON-ACTION ITEMS:

1. Community Plan Update Preparation: Community Visioning Meetings. Stewardship Council presenting: Jim Wermers and Kathy Dice.

2. Community Plan Update, report back from conversations with County. Also, report back on development project that may be in the works in downtown area. Rebecca Falk

3. 9/18/21 Chair Quarterly Meeting, report back on areas being worked on currently at the County: MEHKO (MicroEnterprise Home Kitchen Operations), VMT (new standard for CEQA threshold for project level significant impacts, CAP (long range plan on how to buildout County taking into account greenhouse gas emissions goals, present to future), Smart Growth Alternatives (see note on agenda item 4), County comment letter on SANDAG's San Diego Forward Project/Report (SANDAG's plan to build out transportation, which will likely change what areas can be built out in future.) The County objected to lack of equity for the back country non-coastal areas where transportation isn't planned or available, so fees for travel should be adjusted downward and proposed mobility hubs should be further expanded to include unincorporated areas. Rebecca Falk

4. Borrego Maps for VMT efficient areas in Borrego to review from Darin Neufeld, in preparation for Smart Growth Alternatives discussion next month. Smart Growth Alternatives are relevant to development options that could result in land use changes and would most likely align with VMT

efficient areas. See at (particularly map 020 Borrego Springs):
