The Chair is requesting the BCPG Board to authorize a letter to Nick Koutoufidis, County Planner calling for a postponement to the June 12th Planning Commission meeting to give ample time to review and prepare for the Planning Commission public meeting.

Discussions centered around the short review time between the FEIR release and the Planning Commission hearing date, the BESS location and the danger to the residents in the area. A decision was made to request a 30-day extension to the Planning Commission hearing date on June 12th.
