The public is encouraged to attend and participate in the meetings of the Campo Lake Morena Planning Group, which is the county-sponsored link between the community and San Diego County dealing with planning and land use. Members of the public will be given the opportunity to speak regarding any item on the agenda. In addition, during public discussion, members of the community will be given the opportunity to address other matters pertaining to land use issues in our area. No action or vote may be taken on items not on the agenda. The final agenda will be posted 72 hours prior to the meeting and may be found at the Campo branch of the U.S. Post Office, the Campo branch of the San Diego County Library and the Lake Morena Market bulletin board. Community members may also contact the group chairman to regularly receive agendas by email: campoplanninggroup@nym.hush.com.

3. ROLL CALL: 1-Wellman Simmonds Sriamorn 4- vacant 7- Bob Shea

3- Billie Jo Jannen 6- Steve Biddle

4. APPROVAL OF MINUTES: November 29, 2021

5. ANNOUNCEMENTS We got all we requested in redistricting except the state Assembly, where we are still saddled with a rep elected by Chula Vista. For the first time since 2001, the rural 94 corridor is in a rural Congressional district instead of a Chula Vista district. We were also successful in defending a rural East County supervisorial district. Unfortunately, the supervisorial redistricting board split the Chaldean community in half, placing all of Rancho San Diego into a San Diego City/Hillcrest district. Additional requirements go in place this month for recycling green waste (yard clippings, tree trimmings, manure, etc.), which is is

now illegal to place in dumpsters. The county has an exclusion application for rural property owners who handle green waste onsite (chipping and mulching, for example).

6. PUBLIC DISCUSSION: At this time, the public is invited to speak on any item that does not appear on the agenda. Public speakers will be limited to 2 minutes.

7. NEW BUSINESS:

a. Staff presentation of proposed grading ordinance changes and consideration of group recommendations. The last update of the grading ordinance was in 1996. **Discussion and vote.**

b. Request for letter of support; new tank for Lake Morena Views water company. The project will use Department of Water Resources funding under the San Diego Integrated Regional Water Management Program. As part of the County of San Diego approval process Lake Morena Views is required to obtain a minor use permit. Suggested language submitted by Rural Development Specialist Toby Roy. **Discussion and vote.**

c. Annual organization, update group bylaws. Members may propose changes/deletions to the group's governing bylaws. **Discussion and vote.**

d. Annual organization, elect officers. Group will choose officers for 2022: Chairman, Vice Chairman, Secretary and Parliamentarian. **Discussion and vote.**

8. OLD BUSINESS:

a. Parks funding and plans for Star Ranch. We are due for our annual review of the PLDO list. The list is carrying projects from 15 years ago, and the original proponents have shown no sign of moving forward, so we may need to revamp it altogether this year. **This item was continued from our November 29 meeting** to give community members time to propose projects and/or confirm that they plan to follow through with projects on the existing list. Discussion and vote.

b. Approval of holding this meeting and resolution to hold the February 28 meeting remotely. The community center is still closed to the public for meetings and pandemic rules are still in place. **Discussion and vote.**

c. Standing subcommittee reports (no action): Groundwater, Rob Romero; Sewer and Septic, vacant; Community Economic Impacts, Steve Biddle; Public Safety, Bob Shea.

d. Chairman's report, Billie Jo Jannen (no action).

9. CORRESPONDENCE: Members of the public who wish to read the correspondence listed may request it by email at campoplanninggroup@nym.hush.com.

a. Annual training for CPGs. All planning group members are required to complete the CPSG training on an annual basis. Members who have not previously attended an

in-person/virtual session should do so in 2022. Those who have previously attended a session may choose rather to attend a session or review the training PDF online to complete the training requirement for this year. **Forwarded to group.**
