Meeting Minutes

The public is encouraged to attend and participate in the meetings of the Campo Lake Morena Planning Group, which is the county-sponsored link between the community and San Diego County dealing with planning and land use. Regular meetings are held on the fourth Monday of the month. Members of the public will be given the opportunity to speak regarding any item on the agenda. In addition, during public discussion, members of the community will be given the opportunity to address other matters pertaining to land use issues in our area. No action or vote may be taken on items not on the agenda. The final agenda will be posted 72 hours prior to the meeting and may be found at the Campo branch of the U.S. Post Office, the Campo branch of the San Diego County Library and the Lake Morena Market bulletin board. Community members may also contact the group chairman to regularly receive agendas by email: *campoplanninggroup@nym.hush.com*.

Rob Romero: Bob Shea passed away

Al: Campo/Lake Morena Fire Safe Council will have a cleanup event next week and the gentleman passed out literature regarding future recycling events

Cory Gautereaux: Discusses how SDGE is currently pushing people to sign “easement” paperwork regarding their Strategic Underground Project even though they have never been to the planning group to explain the project (to the best of his knowledge)

7. NEW BUSINESS:

a. San Diego County Office of the Sheriff will discuss it’s policy on placing cameras in selected areas to help deter crime. Questions from the public will be welcome. Lt. Jeff Ford of the Sheriff’s Rural Command to present. **Discussion only.**

- Lt Ford passes out literature regarding automated license plate readers and explains how they are strategically placed to target areas in order to assist with crime prevention
- Rob: As time goes on will there be additional cameras?
- Lt Ford: There very well could be but we don't know at this point
- Nick: What is the approximate cost per unit?
- Lt Ford: It will cost us nothing
- Nick: How do we agree to this but put limitations to power
- Lt Ford: There are current laws that don’t allow items like speed traps
- Cory: This could potentially be a new version of the patriot act but that being said, can you explain how well this system works?
- LT Ford: I had more vehicle recoveries by utilizing this system when Escondido implemented the FLOCK system
- Al: Will these be installed on Sheriff vehicles?
- Lt Ford: They can be and they are detachable so they can be used in different Sheriff vehicles
- Larry: If a piece of data comes in and you want to save it beyond 30 days, what level does someone have to be in order to save the information?
- Lt Ford: Any detective
- Steve: Are the cameras stationary or are they portable?
- Lt Ford: The ones I have requested out here will be stationary
- Nick: Is the information secure or is it public information?
- Lt Ford: The information is not public information
