**5. Action Items**

**A. MUP 17-007 New ATT Wireless Telecom Hulburd Grove, County of San Diego, Second Review**

- 1. Group discussed ATT wireless proposal for the upper Hulburd Grove area. Discussions revolved around utilizing a tree style tower or a water tank style. Owner would prefer the water tank but group felt a tree style would be less obtrusive.*
- 2. Motion: To recommend approval with a tree style tower with the tree being compatible with trees in the area. Said tree to have a beautification clause for maintenance. But if site conditions do not support the tree style (such as high winds), a water tank style would be acceptable. If a generator is proposed or is to be installed, the MUP should be revisited and reviewed by the Planning Group. Elliott/Mellner 7-0-0-0*
