3. **Sidewalk on East Elder Street.** Request for action on a sidewalk issue in the 700 block of Elder, submitted by resident Sharon Miller. The sidewalk is only on the south side of the street and portions of that are missing. As a result cars park on the curb and there is vegetation in the walking area. A recent planter has been created that encroaches where a sidewalk would be. The only way to walk on Elder requires walking in the street to get around all this. There is a hill in this spot also creating a blind that eastbound traffic cannot see walkers which is a problem in the morning. There are several retirement homes and apartments in the immediate area. I live in a home around the corner and when I'm out walking I see those from all age ranges trying to navigate this. Thank you for looking into this to make Fallbrook a safe place to live. Four photos submitted. Contact person: Sharon Miller, sharonmillerg@gmail.com
