FINAL AGENDA

FCI was originally approved in 1993 and expired on December 31, 2010. The land use map changes adopted as part of the General Plan Update did not include FCI lands. When the FCI expired, the areas affected by the FCI reverted to the land use designations in effect before the FCI was enacted. As a result, the General Plan Update land use designations, Guiding Principles and Policies are not consistent with those currently applied to the former FCI lands. Comments are due by February 29, 2016.
