Randal from De Anza Resort passed out a letter from Carl DeMaio's office to the Director of D.P.W. concerning the conditions on Carrizo Gorge road. Randal had the bad section of road dragged to knock down the washboard. Dragging is OK, grading is not.

## G. Updates

### 1. JVR Energy Park 90MW Solar and Battery Facility in Jacumba Valley Approved by Board of Supervisors 8-18-21

- a. Project Construction: Grading Permit Issued 11/5/25. Construction Started.

Much dust creation has been noted adjacent to Old Hwy 80. No provisions for a 1,000' buffer on the South side of Old 80 have made it into project documentation. Some project vehicular traffic has been noted to the West of the site and the Secretary remembers a verbal commitment by 2 BayWa r.e. representatives at a JCSG meeting ~1 year ago that all access would be on Carrizo Gorge road. Tanya pointed out the need for documentation of road conditions before, during and after the JVR project because the heavy vehicles will be detrimental to the existing road surface.

- b. Community Benefit Fund: \$4,000,000 Community Benefit Funds Released 10/22/25. \$125,000 to San Ysidro Health, \$75,000 to Imperial Valley Desert Museum, \$3,800,000 released to San Diego Foundation for Endowment Fund for Jacumba.

\$250K will presumably be released to JCSD in the near future. Much of that will be used for maintenance, a new well, and park improvements. Katrina mentioned that the Water District will be switching to an every other month meeting schedule in January. Every other 4<sup>th</sup> Tuesday will be more amenable for people joining the JCSD Board next year.

A proposal was floated to build a mural wall with mountain scenes to beautify the solar field.

- 2. **Jacumba Fire Station 43** – Project is in Value Engineering phase, awaiting redesign to align with budgets. No change in status.
- 3. **Starlight Solar 100 MW Solar and Battery Facility in Boulevard off Jewel Valley Road EIR Released 7/31/25 PDS2022-MUP-22-010** Draft EIR Comment Period Closed. Awaiting Release of Final EIR. No change in status
