

**JULIAN COMMUNITY PLANNING GROUP**  
**Minutes**  
**July 9, 2018**

The meeting was called to order at 7:00 p.m. by Chairman Brown

**A. Roll Call**

Present: Pat Brown, Chair; Bob Redding, Vice Chair; Kiki Skagen Munshi, Secretary; Woody Barnes, Herb Dackermann, Eric Jones, Keith Krawiec, Katherine Moretti, Kenny Mushet, Rudy Rikansrud

Absent: Betty Birdsell

- B. Approval of the minutes for the meeting of June 11th, 2018.** Munshi corrected the spelling of her name and Katie Moretti was added to the list of absent members. Barnes moved the minutes be approved as corrected, Redding seconded. The motion was passed unanimously with Munshi, Mushet and Moretti abstaining.

**C. Public Communication: Opportunity for members of the public to speak to the Group on any subject matter within the Group's jurisdiction that is not on the posted agenda.**

Rebecca Morales recapped the extensive actions she and the JCPG had taken in an attempt to rectify the current unsafe condition of the County owned but not maintained section of 2<sup>nd</sup> Street. The JCPG strongly supports this effort but cannot think of additional actions at this point that can be taken.

**D. Action Items**

**1. Caltrans Improvements – Julian to Ramona**

A list of suggested places for marked turnouts on Highway 78 between Julian and Ramona had been submitted to CalTrans. CalTrans said they could do numbers 6 and 7 on the Westbound portion of the Highway but that we needed to prioritize our requests for the Eastbound lane. Moretti moved that as Barnes and Redding had been working on this project, they come up with the list and that it be sent in without need for further approval from the JCPG. Krawiec seconded the motion and it was carried unanimously.

In the discussion Munshi pointed out that the turnouts CalTrans had identified as possible on the Eastbound lanes were less than a mile apart and occurred immediately before the one place before Santa Ysabel where passing was possible.

**2. Julian Dark Skies – Discuss adding a lighting amendment to the Julian Community Plan**

Several community members had come to the meeting in support of the Dark Skies Community initiative and participated in a lively discussion. Some members of the JCPG were concerned about the possible impact of regulations connected with making Julian a Dark Skies Community. Munshi moved that the JCPG send a general letter of support for the initiative to the County. Krawiec seconded the motion and it was passed 6 to 4.

### **3. Climate Action Plan – Opportunity to Provide Input (Due by July 16, 2018)**

See item 4

### **4. Active Transportation Plan – Proposed Bike Facilities; See attached or go to: [www.sandiegocounty.gov/pds/advance/ActiveTransportationPlan.html](http://www.sandiegocounty.gov/pds/advance/ActiveTransportationPlan.html)**

The CAP includes a plan to place bicycle lanes on highways and county roads in the Julian area. While supporting recreational use of bicycles in general, members of the JCPG and audience agreed that the environmental damage and cost necessary to put in bicycle lanes as planned would far outweigh the benefits. It was also pointed out that the map showed an existing lane along Highway 79 where, in fact, there was no such lane, indicating that those who made the map had perhaps not visited the area. Redding noted that the JCPG had turned down a previous attempt to place bicycle lanes along Pine Hills Road for similar reasons. Redding moved that Munshi draft a letter for Brown's review, to be sent to the County. Jones seconded the motion. It was carried unanimously.

### **5. Site Plan PDS2018-MUP-18-011 – Cell Tower Newman Way**

Moretti moved that the JCPG approve this plan. Barnes seconded the motion and it was carried unanimously.

### **6. Site Plan for 2833 'A' Street, Julian (JARB Jurisdiction)**

Passed over as it is in the jurisdiction of the Julian Architectural Review

### **7. ASLA (American Society of Landscape Architects) San Diego Community Grant Program**

This is actually an informational item. Munshi described the program. She has put a notice in the Julian News.

## **E. Group Business**

### **1. Announcements and correspondence received**

#### **2. Discussion items a. CPG Training / Ethics Training**

Brown reminded members that most had not completed the mandatory training. All promised they would do it asap.

#### **3. Subcommittee reports**

##### **a. San Dieguito River Valley Park Citizens Advisory Committee (Herb Dackermann)**

Nothing to report.

#### **4. Meeting updates**

##### **a. BOS and PC Hearings**

##### **b. Future Group Meeting Dates (August 13th, 2018)**

## **F. Adjournment**

Rikansrud moved the meeting be adjourned, Redding seconded, motion carried unanimously
