

Rainbow Planning Group

January 22, 2018

Lisa.Fitzpatrick@sdcountry.ca.gov

Dear Ms. Fitzpatrick,

This is a statement and Plenary Session Agenda of January 17, 2018 which served as our guide at our last meeting. As you know our Chair Gary Drake resigned and as I understand it so did our Vice Chair Martin Kurland. I did get an email on Jan 17 from Mr. Kurland saying he was asking to be reinstated.

Six members showed up and we discussed what to do. Since we have 11 members the six constituted a quorum. Approved minutes of this meeting will be forthcoming after our February 21st meeting.

Paul Georgantas, Frederick Rasp, Ron Trotter, Jeri Arganda, Mark DiVecchio. and William Crocker attended.

It was decided we would continue to actively support the Rainbow Community Planning Group. We agreed to meet February 21, 2018 and select officers.

Sincerely,

William Crocker, Secretary
