Advising the Board of Supervisors ~ San Diego County

Dear Supervisor Desmond,

The Rainbow Community Planning Group (RCPG) enthusiastically supports the development of an updated Community Identification Signs program wherein communities can define the sign design and the locations, and the County would be responsible for implementation, construction, and maintenance of the community identification signs. We would like our support to be counted when the Board of Supervisors reviews this proposed plan.

Rainbow serves as San Diego's "Front Door" of north county. It has a long-standing rural heritage, and been a community for over 130 years. Our 2600+ residents welcome the opportunity to showcase our community through identity signage. Rainbow was historically platted by James Rainbow in the 1880s. Our tiny school district, our preponderance of agricultural operations, and our position on the beautiful I-15 scenic corridor make for a unique visitor experience.

We look forward to being able to utilize the new program when it is approved.

Sincerely,

Paul Georgantas  
Chair, Rainbow Community Planning Group
