6. Jennings Minor Use Permit Modification, PDS2018-ZAP-00-008W1, is proposing to convert an existing wireless facility into a faux mono-eucalyptus tree. This is a request for the approval of a Minor Use Permit (Tier 3 Modification) per SD County staffs request to serve as a permit renewal and to address minor improvements to be added to the facility. On April 30, 2018, the County adopted the Wireless Telecommunications Facilities Ordinance, subjecting all wireless telecommunication facilities located within a rural or residential zone to amortization (site to expire on April 30, 2018). Sites located within this zone must be redesigned into a faux facility (ie, tree, water tower, utility pole) that is consistent with the surrounding community character in order to be deemed compliant with the adopted Wireless Ordinance.
