7. Old Business:

It has become a priority to revisit the budget of the priority list. We are short a disputed amount ... to get these projects moving again! Jim and Dawn will oversee what's what and recommend to the RCPG what our letter requesting additional funds should include. Once we put these projects into action, we can solicit ideas from the public as to what interests are out there that will benefit the recreational needs of our community.

8. By unanimous decision, the meeting adjourned at 6:45 PM.

Respectfully submitted,
Kevin Wallace
