 - b. Review status of RCPG inquiry of early 2019 regarding County application of the Ramona Community Trails Master Plan, regarding obstructions of Trails – Under review by Supervisor Jacob with updated input expected from the Ramona trails Association.
 - c. Review status of RCPG letter of December 2019 requesting a review of hazardous roadway conditions at the intersection of main Street and 6th Street as related to pedestrian traffic.
 - d. Review status of RCPG letter of January 2020 regarding grinding down the asphalt bumps on 5th Street at A and B Street.

e. Review status of RCPG letter of January 2020 as follow-up to RCPG letters of 8/3/2017 and 4/4/2019 requesting a County assessment of the threat of rocks over SR-67.

f. Review status of RCPG request of January 2020 to have the Chairperson, RCPG T&T Sub-committee become a member of the Ramona Revitalization Steering Committee, Infrastructure and transportation Sub-committee.

g. Review status of RCPG letter of January 2020 requesting the status of the RCPG CIP Priority #1 “Boundart Ave to Etcheverry St., provide safety element for evacuation for Boundary Avenue Elementary School”

h. Review status of RCPG letter of February 2020 requesting a review of the SR-67 roadway stripping between Archie Moore and the Mt. Woodson parking area stripping, with a goal of seeking continuation of two lanes throughout this area versus directing traffic from two lanes before Archie Moore, then to one lane, and then back to two lanes which may be causing confusing and traffic backup heading West...

i. Review status of RCPG letter of February 2020 requesting the County to review the roadway dips on San Vicente at the Hanson intersection as a possible roadway safety issue..

j. Consider a RCPG letter requesting the current status (brief) of the 11 items on the RCPG CIP ‘Top 10 List’, if any. This is in addition to the detailed status requested from the RCPG January meeting for the status of the CIP Priority #1 item.

k. Consider a RCPG letter requesting a review of the accident rates at the intersection of Dye Road and Ramona Street and at the intersection of 7th Street and Olive to determine whether additional safety warnings would be warranted due to incident history at both of these sharp curve intersections.
