ACTION ITEMS:

7. MUP 21-001, 23401 Calistoga Place (Barona Mesa Way - cross street) T-Mobile currently has (6) antennas total on two wooden poles next to the water tank. T-Mobile is proposing to replace (3) antennas, so the antenna total is not changing. T-Mobile is removing the wooden poles and proposing to replace them with two 50 foot Faux Pine trees that will help screen the antennas and improve the view and appearance of the facility. The County no longer allows poles, without screening or faux design that assist with camouflage. The reason T Mobile is proposing a pine tree design vs a palm tree is they allow for more options in the future if needed.
