8. Monthly update from Caltrans on SR 67 and 78 projects by Caltrans PIO Stephen Welborn.
  - a. Per Mr. Welborn, the repaving project has been delayed due to a cold weather spring. The start date will depend on warmer weather.
  - b. The stop light installation at SR 67 and Mussey Grade Road does not have a start date at this time.
  - c. The downtown crosswalk installations are being managed by Clean California. They have indicated an April start date.
  - d. I am negotiating with Caltrans to set a date for the presentation. I would like members of RSRS Subcommittee to join me in the presentation. At this time, the presentation will be Made to the Caltrans Public Information Officer, Stephen Welborn.
9. Torry Brean requests confirmation from Caltrans that a signal light will be installed in the SR 67/Mussey Grade Road. Dan will confirm.
10. Torry also wants to know if the stop signals at Mussey Grade and Highland Valley will be Coordinated to enhance traffic flow.
11. Robin Maxson believes that the presentation should be made to the SR 67 Improvement Project decision makers. She believes that we should contract Sam Amen because making our presentation to a PIO is not acceptable. Robin also suggests that we meet with the 1<sup>st</sup> responders and make our presentation to them as well.
12. There ensued a general conversation about the Bypass Extension between Mussey Grade and Dye Road. The Trails and Transportation Subcommittee is reviewing the Bypass as a possible solution to the Mussey Grade issue.
13. There are no announcements.
14. There are no concerns of members
15. Future agenda items-T&T review of the Bypass
16. Next meeting- 5/3/23 6:00 pm at 434 Aqua Lane
17. Adjournment unanimous.
