  - a. The construction on both sides of SR67 just west of Hope Street is replacing guardrails with permanent concrete barriers.
  - b. Caltrans is not uncertain as to who removed the “Welcome to Ramona/ population” signs at both ends of town, but are looking into it with understanding that we want them back.
  - c. Mr. Welborn confirmed that the stoplights at Mussey Grade and Highland Valley/Dye Road would be coordinated to assist traffic flow. The status of the Mussey Grade stoplight is in the funding and design Phase.
  - d. The request to replace the callbox that was removed on SR67 involves both Caltrans and SANDAG and our request being considered.
  - e. The stamped concrete crosswalks at 7<sup>th</sup> and 10<sup>th</sup> will be completed by the end of July. All curb ramps are complete. The crosswalk striping at all locations will be done after the repaving.
