5. Public Comment on items not on agenda: Randy Withrow: Wants to know status of Arena Drive potential closure of left turn off San Vicente Rd to Arena Drive. Members commented that the full RCPG didn't support and was not moving forward.

6. Dye Road Extension, Phase 2 - Dye Road from Ramona Street to San Vicente Road.

Subcommittee discussed the Dye Rd phases and it is unclear what phases are intended to move forward. There was confusion about which road segments were labeled Phase 2 or Phase 3. Subcommittee will place this on a future agenda with an update from the county.

7. Proposed traffic light at Mussey Grade Road.

Recently Casey Lynch, RCPG Chair, reported that Caltrans is moving forward with the signal at the intersection with SR 67. Discussion included comments:

- Synchronizing the signal with the Dye Rd/Highland Valley Rd intersection & signal (Hopewell),

- Failure of traffic pattern & flow with another light, especially at commute times (Cahak)

- Dangerous current condition & safety (Hopewell)

- Data needed on current traffic volume, number of turns on & off Mussey Grade Rd to/from SR 67, wait times for turns, number of accidents (Perfect)

- Information needed regarding Dye Street plans & any other road improvements plans for that intersection and the nearly Dye Rd/ HV Rd intersection (Perfect)

8. Potential future items: Status of left turn from San Vicente Rd to Arena Drive, Dye Rd Phased Improvement plan, new signal at Mussey Grade Rd/SR67.

9. Adjourned 7:33 pm

Future meeting date tentatively: Tuesday, May 23, 2023, 7 pm.
