7. Caltrans issues-
  - a. Per Caltrans PIO Steve Welborn, there have been delays in the project due to lower winter temperatures. The final steps are underway with slurry, painting, and channelizers.
  - b. Robin- wants to know if final touches can be performed with a minimum of commuter impact.
  - c. Dan- Caltrans is opposed to The center median in the downtown business district because it would through traffic to one lane and cause back-ups at both ends of the district.
  - d. Steve Welborn will provide traffic study at Mussey Grade Road when it is available.
  - e. Robin, Elio, and Dan discuss traffic calming measurers in the downtown business district to include lower speed limits, rumble strips, and signage warning of lower speed zone ahead, and additional sidewalks at 6<sup>th</sup>, 8<sup>th</sup>, and 9<sup>th</sup>.
  - f. Steve Welborn indicates that the southbound entry from Archie Moore Road to SR 67 should be resolved within a week.
  - G. Presentation to Ramona Sheriff and CHP is still pending. It's possible we'll make two presentations.
