The Department of Parks and Recreation (DPR) has conducted public outreach and stakeholder engagement to help inform DPR's recommendations as part of the PLDO comprehensive update. As they work to finalize their recommendations on an updated PLDO, DPR would like to provide an update to our planning group. The group may decide to make recommendations to DPR.
2. **Presentation by Bill Saumier on an idea of constructing a “Red Bull” style bicycle “pump track” at yet to be determined existing or new Spring Valley park.** This is a conceptual discussion only and there are no concrete plans to move forward with such a project at this time.
