And San Marcos is over sewer capacity to develop new homes and they are borrowing from Vista.

Newland Sierra is working with Cal Trans on the I-15 interchange.

Action Items:

1. Crime Prevention, Buena Creek/Deer Springs Road Traffic Issues: Brandy Contreras, San Diego County Sheriffs, Crime Prevention Specialist will give a short presentation; 760-751-4408; Brandy.contreras@sdsheriff.org. Discussion / Action

Brandy Contreras from SD Sheriff and Dan Hollywood and Kevin Smale from the CHP spoke on traffic and crime in the area.

- It was noted traffic has increased on Buena Creek and Deer Springs as a result of the phone app Waze.

-Vista business owners are employing homeless transients to monitor their businesses at night.

-There is an increase to homeless and transients in the area because of the Hepatitis outbreak in downtown San Diego. The homeless were bused to North County and it is now our

problem. The gangs in Vista are using homeless to sell their drugs because if they are caught with a small amount of drugs it is only an infraction. This is a result of the “safe school” amendment that was voted it that decriminalized drug use and possessing small amounts of drugs.

- Call code compliance to remove transients and the sheriff’s office for issues with transients.
- Panhandling is illegal so call the Sheriff if you see someone panhandling.
- Call the CHP if you see cars parked for sale on Buena Creek and call Brandy Contreras if you see someone selling fruit or flowers as it is illegal without proper permits
- Buena Creek is a 7 year certification roadway. It is recommended you file a counter report in person with the CHP if you have any non-emergency events. For example someone drives over your garbage cans, crashes into your fence or knocks down your mailbox. If these events are reported to the CHP, it will be considered when the road is recertified. You must go into the CHP office, but if you don’t report it, it will not be known.
- If you hear a helicopter overhead but you can’t understand the announcement you can call the non-emergency number and dispatch will tell you what they are saying.
- If you see a drone on you property it is illegal if it is below the tree line. But it is also illegal to knock a drone out of the sky. And you will be responsible if you damage it. It is a felony if the value is over \$1000.
