**D. ACTION ITEMS:**

**1. I-15 Corridor Design Review Board (DRB):** A member from each community represents the planning and sponsor groups on reviewing project that could impact the beauty of the I-15 corridor. The purpose of the scenic and planning quality guidelines is to: (1) protect and enhance scenic resources within the I-15 Corridor planning area while accommodating coordinated planned development which harmonizes with the natural environment; (2) establish standards to regulate the visual quality and the environmental integrity of the entire corridor; and, (3) encourage scenic preservation and development practices compatible with the goals and policies of the five community and subregional planning areas encompassed by the I-15 Corridor area, when appropriate. Twin Oaks Sponsor Group is looking for a member of the community to fill this critical position so that I-15 north of Escondido doesn't end up looking like it does south of Escondido.
