**C. ACTION ITEMS**

**1. Water Efficiency Updates to the Landscape Ordinance:** Planning & Development Services (PDS) began a public review of draft documents for the project called Water Efficiency Updates to the Landscape Ordinance. Meghan Kelly, Project Manager, gave a slide presentation. Ordinance is to be in compliance with State of CA requirements and also the County’s Climate Action Plan which requires a reduction in outdoor water use and an increase in residential tree planting. Extends to existing land/buildings if landscape project is over 500 sq. ft., requires 2 tree plantings in new SFR construction and includes a revised water budget calculation. Public review period is February 14 – March 14, 2020. Discussion and Q&A followed.

**Action** – Encouraged public input. No action at this time.
