**C. ACTION ITEMS**

**1. North County Environmental Resources:** Discussion about Planning Commission appeals hearing that Farrell and Veit attended where it was voted to uphold the decision to approve of the site plan with conditions and monitoring of certain aspects of the facility such as hours of operation. The hearing focused mostly on the amount of money County has spent on this and the fact that a recycling facility is needed. Veit wrote an extensive draft letter of appeal to submit to BOS. In addition to multiple comments, the letter points out the NCER project neglected to identify the project land as PAMA within MSCP boundaries and mitigation measures were not followed.

**Action** – Farrell made motion for TOVCSG to submit this letter of appeal to BOS based upon environmental, CAP, pollution and noise issues, and add to letter that the County cover some expenses for applicant. Veit seconded. Passed 4-0-0.

**D. GROUP BUSINESS:**

None
