- 1. County Parkland Dedication Ordinance:** The County would like to know if we have any additional areas to add to the list of possible park sites we provided them last year. The County gathers fees from development projects and saves those to be used to create active parks and trails. DPR annually requests a five-year priority list from each Community Planning and Sponsor Group to identify community recommendations for use of PLDO funds. Please see link to Policy F-26 for more information: <https://www.sdparks.org/content/dam/sdc/cob/docs/policy/F-26.pdf> Funds can be used to develop new or rehabilitate existing PLDO eligible recreation uses, or purchase park lands intended to be developed with PLDO eligible recreational uses. PLDO eligible recreational uses include: adventure play areas, amphitheaters, bicycle parks, children’s play areas, community gardens, community gather or event spaces, disc or Frisbee golf, dog parks or leash free areas, equestrian facilities, exercise areas or fitness stations, gymnasiums, improved overlooks, open lawn areas, picnic areas, plazas, recreation centers, skate parks, splash pads or wading pools, sport courts and fields, swimming pools, and 25% of your PLDO balance can be used for trails outside of dedicated open space and County right-of-way. PLDO eligible recreational **uses do not include** natural open space, nature study areas, open space buffer areas, golf courses, parking or staging areas, riding and hiking trails in open space preserves, landscape corridors, pathways, environmental mitigation areas, or other areas that preclude PLDO eligible recreational uses. Please visit the link below for additional information regarding the PLDO.
