E. ACTION ITEMS:

1. **Hybrid Meetings:** Members of the community have expressed a desire to have both in person meetings with the ability of County staff or people who have health issues and cannot attend in person meeting an online option. **Discussion/Action**
2. **Organic Materials Ordinance Update:** information from workshop change the County's regulations to allow organic material processing or composting to occur in more areas of the unincorporated county; help divert organic materials (such as food scraps, plant materials, and agricultural materials) from landfills; provide more permit options for composting that will vary depending on the size and intensity of the operation; and, ensure the protection of public health and safety by including best management practice requirements to address issues of stormwater runoff, odors, pests, and others. **Discussion/Action**
3. **North County Metro & VMT:** Update of the Board of Supervisor's direction to staff regarding reducing the Vehicle Miles Traveled (VMT). The Board directed staff to identify infill areas where no VMT analysis or mitigation would be required, excluding any areas designated as High or Very High Fire Hazard Severity Zones. Projects located within infill areas, including the geographic boundaries of a surrounding "village" as identified in the General Plan, would not have to analyze VMT or propose mitigation for VMT but would require environmental review pursuant to the California Environmental Quality Act (CEQA) for other topic areas. To implement the Board's direction, the TSG requires a 30-day public review period. Staff is currently finalizing the TSG and anticipates the public review beginning in April. At this meeting we will review the latest maps. County staff and Duncan McDonald will be at our May meeting to discuss how VMT as well as For more information, see <https://www.sandiegocounty.gov/content/sdc/pds/SB743.html>
