AGENDA

A. ROLL CALL:

B. APPROVAL OF THE MINUTES:

C. PUBLIC COMMUNICATION: Opportunity for members of the public to speak to the Group on any subject matter within the Group's jurisdiction that is not on the posted agenda.

D. ACTION ITEMS:

The following procedure will be followed when a quorum of four members of this seven member board is not achieved (e.g. an insufficient number of seats are filled, a member must recuse themselves from voting, or member(s) cannot attend the meeting): Project Planning has requested that attending members register the comments and votes of voting members on the 534 form indicating that it was not a formal recommendation due to a lack of quorum. When PDS describes the CSG recommendation in the staff report, they will note that the group did not provide a formal recommendation due to the lack of a quorum but will include the votes of the members who did participate.

Title: Agenda Item info:

1. **Housing Unlocked:** This project will explore options including amending the Zoning Ordinance to unlock the [General Plan](#) vision for housing. The project is intended to facilitate housing development at the densities already established by the General Plan by simplifying regulations, removing barriers, and providing greater flexibility. It is not a proposal to change General Plan land use designations or increase allowable densities on individual properties or specific RHNA sites. PDS has a set of draft options and is seeking community input to help refine these approaches. 2. **Promoting homeownership through ADUs:** On March 4, 2026, the Board of Supervisors adopted the separate sale of ADUs under [Assembly Bill \(AB\) 1033](#). During the hearing the Board directed staff to return with local implementation options that could further support homeownership opportunities and owner occupancy. PDS has developed a set of draft options and is seeking community input to help refine these approaches. For additional information: [ADU Zoning Ordinance Amendment](#)
