E. SubCommittee Business:

Chair discussed the fact that this is the first official meeting of the subcommittee and is organizational in nature. All members present introduced themselves. There was a brief discussion of the protocol of future meetings. Chair brought up the suggestion of a field trip to the project site as well as to an operational sand mine. Feathers recommended that the field trip occur during the typical daily operations of a sand mine. There was one public member present, Brice Bossler, an applicant representative, who offered to send information to the Chair details of a location and operating hours. A site visit will be scheduled.
