The Mobility Committee will be meeting again in September to review and vote on a list from this meeting and additional item to be presented at the next meeting. The additional items will be posted prior to the next meeting.

Median in South Village
9. Discussion and Possible vote on removing New Roads from the CIP List
As the county’s current policy, through the Department of Public Works and CIP, is to not put in new roads. Should concern for our lack of a reasonable infrastructure be sufficient to put pressure on the county for new roads in our developing community. Concern for safety may be important to the eventual construction of roads. (Plotner)
