

**MEETING NOTICE/AGENDA**  
Valley Center Community Planning Group  
Joint Meeting of the  
Community Plan Update (CPU) Subcommittee and  
Mobility Subcommittee  
Wednesday, August 17, 2022  
Adams Park Community Room  
28751 Cole Grade Road, Valley Center  
6:00 pm – In-Person Meeting

1. Public Communication / Open Forum

*Members of the public may address the Subcommittees on any topic not on the current agenda. There is a three-minute time limit per speaker unless otherwise negotiated with the chairs. The subcommittees cannot discuss or vote on the topic but may place the item on a future agenda. Speakers are encouraged inform the chairs of their intent prior to the start of the meeting.*

2. Introductory Remarks by the Subcommittee Chairs.

3. Brief County Staff presentation on the proposed Valley Center Road Corridor Concept Plan.

4. Discussion of the several segments of the corridor concept plan including intersection control options, traffic calming possibilities, pedestrian and cycling elements, and safety features.

The County set up a website with information about the proposed corridor concept plan for a previous public workshop that is useful for this meeting at:

<https://www.sandiegocounty.gov/pds/CommunityGroups/vcroadstudy/>

5. Development of a recommendation about the concept plan to be forwarded to the Valley Center Community Planning Group for consideration at their September 12, 2022 meeting.

6. Adjournment

**Public Disclosure Notice**

We strive to protect personally identifiable information by collecting only information necessary to deliver our services. All information that may be collected becomes public record that may be subject to inspection and copying by the public, unless an exemption in law exists. In the event of a conflict between this Privacy Notice and any County ordinance or other law governing the County's disclosure of records, the County ordinance or other applicable law will control.

**Access and Correction of Personal Information**

You can review any personal information collected about you. You may recommend changes to your personal information you believe is in error by submitting a written request that credibly shows the error. If you believe that your personal information is being used for a purpose other than what was intended when submitted, you may contact us. In all cases, we will take reasonable steps to verify your identity before granting access or making corrections.
