- E. Action Items:**
- Chair's Report:** Dee Harmes reported on the community fire coalition meeting held on March 22, 2023 at the Maxine Theatre where representatives from our fire district and the community presented information on the tax apportionment that Valley Center Fire Protection District receives. WE are still receiving funds under a formula that is 48 years old when the population of Valley Center was a little over 8,000. We are now over 25,000.
 - VCFPD-Chief Napier:** Rick Johnson who formerly was the Deer Springs fire chief and Sheriff Sgt. Michael Davis are working on a Zonehaven – Aware, the fastest way to get information about live emergencies. Data comes straight from our local officials. It helps first responders plan, train and execute live evacuations, bridging the gap between first responders and community members.
 - Deer Springs Fire Protection District-Chief Morrison:** No Report.
 - CAL Fire Update Station 71-Division Chief Gettman:** Three crews daily at Fox Fire camp. Transitional staffing with Del Dios station reopening on May 17, 2023.
