Subject: Rite Aid has asked to cancel the February 23, 2017 North Village subcommittee meeting
Date: Tuesday, February 21, 2017 8:59:03 PM

Hello all,

I got a message from Rite Aid earlier today saying that they **would not be available** for the February 23, 2017 North Village subcommittee meeting. A senior member who needs to be present is unavailable for medical reasons. They asked to be taken off our agenda. Since they are the only topic on the agenda, **the February 23 meeting is cancelled.**

They/We have pushed their presentation to North Village's already scheduled meeting on March 6, 2017 when we will meet with DRB at 5:00 and then have our own meeting about 6:15 or 6:30--all in the Valley Center Library. Rite Aid would like us to make a decision at that meeting and I will indeed come with some possible wording for a motion. If we can't finish we will **try** to meet later in the week.

I know this is frustrating to all of you. I certainly feel that way about it. I apologize for the change of plans. Ann Quinley
