The applicant proposes a Major Use Permit to construct, operate and maintain an unmanned wireless telecommunication facility. The equipment necessary for the facility will be located within a concrete masonry unit block wall enclosure located at 70 feet north of the faux mono-broadleaf. The site is located at 2290 Lake Morena Drive, in the Campo/Lake Morena Community Plan Area, within unincorporated San Diego County. The project is subject to the Semi-Rural General Plan Land Use Designation (SR-10), and is zoned Limited Agricultural (A70) which permits Wireless Telecommunication Facilities under the Tier 4 Classification with the approval of a

Major Use Permit pursuant to Section 6985A of the Zoning Ordinance. A Notice of Exemption (NOE) has been prepared for this project pursuant to the California Environmental Quality Act and is on file with PDS. The Planning Commission will determine whether to approve or deny the MUP, and whether to adopt the NOE (APN 607-022-37).

In addition to the Board directed PSRs, two Analysis Areas covering the area of the former Champagne Gardens Specific Plan were included for analysis and are part of the project. The proposed General Plan land use designation and zoning changes in the project cover approximately 882 parcels over 9,336 acres. Planning Commission actions on items on this agenda are considered taken as of the adjournment of the meeting. Finality and effectiveness of those actions are governed by provisions of laws and ordinances, and may be affected by appeal provisions.

Appeals

Certain decisions of the Planning Commission may be appealed to the Board of Supervisors. Applicable County ordinances should be consulted regarding the actual requirements, which are summarized below:

Major Use Permits, Reclamation Plans & Site Plans Required by Specific Plans:	Filed in office of Planning Commission, within 10 days of Commission decision (Zoning Ord. §7366)
Tentative Maps:	Filed with Clerk of Board of Supervisors, within 10 days of Commission decision (S.D.Co. Code §81.307, Gov. Code §66452.5)
Environmental Determinations*	Filed in office of Planning Commission within 10 days of Environmental Determination or project decision, whichever is later (S.D.Co. Code §86.404)

No appeal is provided for Commission decisions on Administrative Appeals, Variances, or Minor Use Permits; the Commission decision is final. Commission recommendations on General and Specific Plans (and Amendments), Zoning Ordinance Amendments, and Zoning Reclassifications, are automatically presented to the Board of Supervisors, so no appeal is necessary.

The address for filing with the Board of Supervisors is: Clerk of the Board of Supervisors, 1600 Pacific Highway, Room 402, San Diego, CA 92101. The address for filing with the Planning Commission is: San Diego County Planning Commission, 5510 Overland Avenue, Ste. 110, San Diego, CA 92123. Appeals must be accompanied by the appeal fee of \$1000.00.

*An "Environmental Determination" is a decision by a non-elected County decision maker, to certify an EIR, approve a Negative Declaration or Mitigated Negative Declaration, or determine that a project is not subject to CEQA.
