**Regular Agenda Items**

**1. Active Transportation Plan (ATP); PDS2014-POD-14-006, PDS2018-GPA-18-001, LOG NO. PDS2018-ER-18-00-001: Countywide (Hauser, E.)**

The County of San Diego (County) developed an Active Transportation Plan (ATP) that provides a comprehensive inventory of the unincorporated County’s bicycle and pedestrian facilities, evaluates how well the County is currently serving bike and pedestrian trips, and identifies multi-modal network improvements on a system-wide basis. The ATP implements the vision and guiding principles of 2011 General Plan Update (2011 GPU) and other County initiatives to reduce greenhouse gas emissions, promote health and wellbeing. The ATP is also informed by community and stakeholder input and reflects character of existing communities.

The ATP project includes a General Plan Amendment (GPA) 18-001 to amend the Mobility Element and associated maps. The ATP updates the Mobility Element (Chapter 4) of the General Plan, as well as the Mobility Element Network Maps and accompanying table information for each of the Community Plan areas (Figures M-A-1 through M-A-23) regarding bicycle network classifications.

A draft Addendum to the 2011 GPU Program EIR/Betbe has been developed consistent with the California Environmental Quality Act requirements. The ATP project also includes a new Board of Supervisors Policy, J-38 the Complete Streets Policy. This policy formalizes existing County practices of building streets that accommodate the needs of all users of the road, including, pedestrians, bicyclists, users of transit, and drivers of motor vehicles.

Planning Commission actions on items on this agenda are considered taken as of the adjournment of the meeting. Finality and effectiveness of those actions are governed by provisions of laws and ordinances, and may be affected by appeal provisions.

## **Appeals**

Certain decisions of the Planning Commission may be appealed to the Board of Supervisors. Applicable County ordinances should be consulted regarding the actual requirements, which are summarized below:

Major Use Permits, Reclamation Plans & Site Plans Required by Specific Plans:	Filed in office of Planning Commission, within 10 days of Commission decision (Zoning Ord. §7366)
Tentative Maps:	Filed with Clerk of Board of Supervisors, within 10 days of Commission decision (S.D.Co. Code §81.307, Gov. Code §66452.5)
Environmental Determinations*	Filed in office of Planning Commission within 10 days of Environmental Determination or project decision, whichever is later (S.D.Co. Code §86.404)

No appeal is provided for Commission decisions on Administrative Appeals, Variances, or Minor Use Permits; the Commission decision is final. Commission recommendations on General and Specific Plans (and Amendments), Zoning Ordinance Amendments, and Zoning Reclassifications, are automatically presented to the Board of Supervisors, so no appeal is necessary.

The address for filing with the Board of Supervisors is: Clerk of the Board of Supervisors, 1600 Pacific Highway, Room 402, San Diego, CA 92101. The address for filing with the Planning Commission is: San Diego County Planning Commission, 5510 Overland Avenue, Ste. 110, San Diego, CA 92123. Appeals must be accompanied by the appeal fee of \$1000.00.

\*An "Environmental Determination" is a decision by a non-elected County decision maker, to certify an EIR, approve a Negative Declaration or Mitigated Negative Declaration, or determine that a project is not subject to CEQA.
