The applicant requests a Major Use Permit Modification (MUP Modification) to continue operating and maintaining an existing wireless telecommunication facility. The existing facility includes a 40-foot-tall mono-broadleaf tree with supporting equipment located within an existing 8-foot-tall concrete equipment enclosure. The applicant proposes to modify the faux tree by removing the mono-broadleaf branches and leaves and replacing them with mono-pine branching and leaves. The applicant requests to remove the landscaping condition to screen the equipment enclosure from the original MUP. The 15.01-acre project site is located at 24709 Sutherland Drive in the Ramona Community Plan Area within unincorporated San Diego County. The project site is subject to the General Plan Regional Category Rural and Land Use Designation Rural Lands (RL-80). Zoning for the site is General Agriculture (A72) which allows wireless telecommunication facilities under the Tier 4 Classification with the approval of a MUP in accordance with Section 6985 of the Zoning Ordinance. The MUP Modification has been submitted in accordance with the amortization requirements outlined in Zoning Ordinance Sections

6985 and 6991, which this MUP Modification seeks to accomplish. The wireless telecommunication facility is defined as a high visibility facility and will have a term limit of 15 years pursuant to Section 6985(C)(11) of the Zoning Ordinance. The Planning Commission will determine whether to approve or deny the MUP Modification and whether to find the project in conformance with the California Environmental Quality Act through the processing of an addendum to the previously adopted Mitigated Negative Declaration. Planning Commission actions on items on this agenda are considered taken as of the adjournment of the meeting. Finality and effectiveness of those actions are governed by provisions of laws and ordinances and may be affected by appeal provisions.

## Appeals

Certain decisions of the Planning Commission may be appealed to the Board of Supervisors. Applicable County ordinances should be consulted regarding the actual requirements, which are summarized below:

Major Use Permits, Reclamation Plans & Site Plans Required by Specific Plans:	Filed in office of Planning Commission, within 10 days of Commission decision. (Zoning Ord. §7366)
Tentative Maps:	Filed with Clerk of Board of Supervisors, within 10 days of Commission decision (S.D.Co. Code §81.310, Gov. Code §66452.5)
Environmental Determinations*	Filed in office of Planning Commission within 10 days of Environmental Determination or project decision, whichever is later (S.D.Co. Code §86.404)

No appeal is provided for Commission decisions on Administrative Appeals, Variances, or Minor Use Permits; the Commission decision is final. Commission recommendations on General and Specific Plans (and Amendments), Zoning Ordinance Amendments, and Zoning Reclassifications, are automatically presented to the Board of Supervisors, so no appeal is necessary.

The address for filing with the Planning Commission is San Diego County Planning Commission, 5510 Overland Avenue, Ste. 110, San Diego, CA 92123. Appeals must be accompanied by the appeal fee of \$1000.00.

\*An "Environmental Determination" is a decision by a non-elected County decision maker, to certify an EIR, approve a Negative Declaration or Mitigated Negative Declaration, or determine that a project is not subject to CEQA.
