This is a special meeting of the Planning Commission to hold a workshop to discuss the history, judicial decisions, and costs related to the Climate Action Plan (CAP) Update and related information. The CAP Update sets measures and actions the County of San Diego (County) will take to reduce greenhouse gas (GHG) emissions in the unincorporated areas of San Diego County and from County operations. The CAP Update is being completed in response to the Board of Supervisors' January 13, 2021 (5) approval of policy guidelines to develop a comprehensive and legally enforceable CAP. The Project includes the Draft Final CAP Update, Final Supplemental Environmental Impact Report (SEIR), General Plan Amendment, 2011 General Plan Program Environmental Impact Report (PEIR) Amendment, Guidelines for Determining Significance for Climate Change and Greenhouse Gas Threshold of Significance, and CAP Consistency Review Checklist. This workshop is an opportunity for the Planning Commission and the public to review and give additional input on the CAP Update. The Planning Commission will consider the Project for their recommendation to the Board at the regularly scheduled Planning Commission Hearing on July 26, 2024.

Planning Commission actions on items on this agenda are considered taken as of the adjournment of the meeting. Finality and effectiveness of those actions are governed by provisions of laws and ordinances and may be affected by appeal provisions.

Appeals

Certain decisions of the Planning Commission may be appealed to the Board of Supervisors. Applicable County ordinances should be consulted regarding the actual requirements, which are summarized below:

Major Use Permits, Reclamation Plans & Site Plans Required by Specific Plans:	Filed in office of Planning Commission, within 10 days of Commission decision. (Zoning Ord. §7366)
Tentative Maps:	Filed with Clerk of Board of Supervisors, within 10 days of Commission decision (S.D.Co. Code §81.310, Gov. Code §66452.5)
Environmental Determinations*	Filed in office of Planning Commission within 10 days of Environmental Determination or project decision, whichever is later (S.D.Co. Code §86.404)

No appeal is provided for Commission decisions on Administrative Appeals, Variances, or Minor Use Permits; the Commission decision is final. Commission recommendations on General and Specific Plans (and Amendments), Zoning Ordinance Amendments, and Zoning Reclassifications, are automatically presented to the Board of Supervisors, so no appeal is necessary.

The address for filing with the Board of Supervisors is Clerk of the Board of Supervisors, 1600 Pacific Highway, Room 402, San Diego, CA 92101. The address for filing with the Planning Commission is San Diego County Planning Commission, 5510 Overland Avenue, Ste. 110, San Diego, CA 92123. Appeals must be accompanied by the appeal fee of \$1000.00.

*An "Environmental Determination" is a decision by a non-elected County decision maker, to certify an EIR, approve a Negative Declaration or Mitigated Negative Declaration, or determine that a project is not subject to CEQA.
