**Regular Agenda Items**

- 1. General Plan Update; Planning Commission recommendation on Draft Text, Land Use Maps, Road Network, Community Plans, Implementation Plan and Conservation Subdivision Program (Muto) Continued from the meeting of March 12, 2010**

This is a continuation of the General Plan Update hearings held on November 6, 19, and 20, December 4, 2009, February 19, 2010 and March 12, 2010. The purpose of this hearing is to complete discussions on various specific issues identified during the previous hearings related to the General Plan Update and its various project components, and finalize recommendations from the Planning Commission on the General Plan Update Draft Text, Land Use Maps, Road

Network, Community Plans, Implementation Plan and Conservation Subdivision Program.

The General Plan Update is a comprehensive update of the San Diego County General Plan, establishing the future growth and development patterns and policies for the unincorporated areas of the County. The General Plan Update would improve land use and protect the environment better than the current 1980's era General Plan, partly by shifting 20 percent of the project growth to western unincorporated communities with established infrastructure. The proposed plan would also balance growth with the needs to control traffic congestion, protect the environment and ease the strain on essential services such as water and fire protection. The purpose of this hearing is to receive tentative recommendations from the Planning Commission regarding the draft General Plan text, land use maps, Mobility Element road network, draft community plans, draft Implementation Plan and Conservation Subdivision Program.

Certain decisions of the Planning Commission may be appealed to the Board of Supervisors. Applicable County ordinances should be consulted regarding the actual requirements, which are summarized below:

Major Use Permits, Reclamation Plans & Site Plans Required by Specific Plans: Filed in office of Planning Commission, within 10 days of Commission decision (Zoning Ord. §7366)

Tentative Maps: Filed with Clerk of Board of Supervisors,

within 10 days of Commission decision
