

## **APPENDIX C – PROPOSED EDITS TO I-15 CORRIDOR SUBREGIONAL PLAN**

Note:

The I-15 Corridor Subregional Plan, as contained within the Fallbrook Community Plan, consists of text and map of the Corridor, which extends approximately 20 miles from the Escondido City limits to the Riverside County line and contains the ½-acre to 2-mile viewshed area on either side of the freeway. In addition, the Corridor Plan includes goals and policies for scenic preservation, land use, public services and facilities, circulation, conservation, coordination and implementation. As described in Chapter 5 of the Campus Park Specific Plan Amendment and General Plan Amendment Report, Campus Park is consistent with the I-15 Corridor Plan. Therefore, no text or map edits are required.
