

INTRODUCTION TO THE FINAL ENVIRONMENTAL IMPACT REPORT FOR THE  
WEST LILAC TENTATIVE MAP PROJECT

(TM5276; Log No. 02-02-002)  
SCH # 2006097067

This document represents the proposed Final Environmental Impact Report (FEIR) for the West Lilac Tentative Map project in Bonsall, CA. Pursuant to the California Environmental Quality Act (CEQA), a Draft Environmental Impact Report (DEIR) was prepared for the project and circulated for public review from December 2, 2010 to January 17, 2011.

Three comment letters were submitted in response to the DEIR. A list of the commenters, as well as the comment letters and response to comments are presented on the following pages. Based upon the comments letters, modifications were made to the DEIR. The modified DEIR is presented after the response to comments. All revisions to the DEIR are in a strikeout/underline format to clearly identify the changes to the DEIR.

The following application has been submitted and is proposed for approval:

- Tentative Map (TM5276)
