

December 27, 2015

County of San Diego
5510 Overland Ave, Suite 210
San Diego, Ca 92123

Attn: Darin Neufeld, Project Manager

Re: Lake Jennings Marketplace PDS2014-GPA-14-005 Project proposed
General Amendment to change from existing Residential
to general Commercial.

Dear Darin,

Please find enclosed, original signed petition against the Lake Jennings
Marketplace DEIR. These signatures were collected at the
businesses across the street from this proposed project 14120, 14110
Olde Highway 80 and door to door signatures from Rios Canyon Road.

All residents of Kelli Lane which is located directly behind the proposed
project oppose and have signed with the exception of two residents who
were not home.

Their main concern is traffic and the shopping center too big for the area
with too many stop lights.

You will find 235 signatures currently enclosed in the short time we
collected.

Sincerely,

A handwritten signature in black ink, appearing to read "Giuseppe Brunetto", with a long, sweeping horizontal stroke at the end.

Giuseppe Brunetto
Property Owner of 7-11 Store and Marechiaro's Italian Restaurant
14110 Olde Hwy 80 and 14120 Olde Hwy 80, El Cajon

SAVE OUR LAKESIDE COMMUNITY CHARACTER

In 2003, the community of Lakeside worked alongside Save our Forest and Ranchlands (SOFAR) to fight a similar project on the same site where the Lake Jennings Marketplace is being proposed. The site has been zoned for condos and to change this zoning would require an amendment of the General Plan. We oppose this project because just like its ill-fated predecessor, it is also inconsistent with the County's General Plan and bears the same environmental, health, and social impacts due to a massive increase in resulting traffic. We stand against the approval of a General Plan amendment to accommodate Lake Jennings Marketplace and need your signature to stop this project. We must preserve legitimate land use in our rural communities. Thank you for helping us to save our Lakeside Community Character!
